will be returned as an administrative expense of the Government to the place of actual residence or any other location, not to exceed the cost to the authorized destination.

§ 302-7.18 Who is liable for any loss or damage to HHG incident to an authorized relocation?

When transporting HHG under the commuted rate or actual expense method and a commercial HHG carrier is used, the carrier accepts limited liability for any loss or damage in accordance with HHG carrier tariffs. For transporting HHG by self drive equipment for a do-it-yourself-move and for any loss or damage not covered by the HHG carrier, see part 302-11 of this chapter.

§ 302-7.19 Should I include items that are irreplaceable or of extremely high monetary or sentimental value in my HHG shipment?

Generally no; items that are irreplaceable or of extremely high monetary or sentimental value should not be included in your HHG shipment. Additional insurance may be purchased, at your expense, to cover any loss or damage, however, such items are not necessarily provided special security. Accordingly, it is advisable that you or an immediate family member(s) transport such items personally.

§ 302-7.20 If my HHG shipment includes an item (e.g. boat, trailer, ultralight vehicle) for which a weight additive is assessed by the HHG carrier, am I responsible for payment?

If your HHG shipment includes an item (e.g. boat or trailer of reasonable size) for which a weight additive is assessed by the HHG carrier (as prescribed in applicable tariffs), and your shipment exceeds the maximum weight prescribed in § 302-7.2, you are responsible for all excess charges and any special packing, crating, and handling of the weight additive item. See § 302-7.200 on how charges are paid and who makes the shipping arrangements.

Subpart B—Commuted Rate

§ 302-7.100 How are the charges of transporting HHG, and temporary storage calculated?

The charges for transporting HHG, and temporary storage are computed by multiplying the number of pounds shipped divided by 100 (within the 18,000 maximum limitation) by the applicable rate per one-hundred pounds for the distance transported. This includes, but is not limited to packing/unpacking, crating/uncrating, drayage, weighing, pickup/delivery, line-haul, accessorial charges, and temporary storage charges, including but not limited to handling in/out, etc. However, your reimbursement may not fully cover your total out-of-pocket expenses. In determining the distance shipped you may use the Household Goods Carriers Mileage Guide (issued by the Household Goods Carriers' Bureau, 1611 Duke Street, Alexandria, VA 22314-3482), tariffs filed with GSA travel management centers, or any other mileage guide authorized by your agency. If the exact mileage is not shown, the next higher mileage distance applies. If there is a minimum weight charge above the actual weight under applicable tariffs, reimbursement will be based on the minimum weight charge instead of the actual weight.

§ 302-7.101 Where can the commuted rate schedules for the transportation of HHG, and temporary storage be found?

The charges for the line-haul transportation, packing, crating, unpacking, drayage incident to transportation, and other accessorial charges for HHG, and temporary storage can be found in the Household Goods Carrier Bureau tariff (issued by the Household Goods Carriers' Bureau, 1611 Duke Street, Alexandria, VA 22314-3482) or by contacting the GSA travel management center or the appropriate office designated in your agency.

§ 302-7.102 How is the mileage distance determined under the commuted rate method?

destination, the Household Goods Carriers Standard Mileage Guide, or a standard road atlas issued by The Household Goods Carrier's Bureau, or any other mileage guide authorized by your agency.

NOTE TO §§ 302-7.100 AND 302-7.102. Any substantial deviation from the distances shown in the authorized mileage guides must be explained on the travel claim.

§ 302-7.103 How are the charges calculated when a carrier charges a minimum weight, but the actual weight of HHG, PBP&E and temporary storage is less than the minimum weight charged?

Charges for HHG, PBP&E and temporary storage are calculated based on the minimum weight charged by the carrier, but not to exceed 18,000 pounds.

§ 302-7.104 What documentation must be provided for reimbursement?

When claiming reimbursement under the commuted rate, you must provide:

- (a) A receipted copy of the bill of lading (reproduced copies are acceptable) including any attached weight certificate copies if issued; or
- (b) Other evidence showing points of origin and destination and the weight of your HHG, if no bill of lading was issued, or
- (c) If a commercial HHG carrier is not used, you are responsible for establishing the weight of the HHG, and temporary storage by obtaining proper certified weight certificates. Certified weight certificates include the gross and tare weights. This is required because payment at commuted rates on the basis of constructive weight usually is not possible.

§ 302-7.105 May an advance of funds be authorized for transporting HHG and temporary storage?

An advance of funds may be authorized when the transportation of HHG and temporary storage is authorized under the commuted rate method.

§ 302-7.106 What documentation is required to receive an advance under the commuted rate method?

commercial HHG carrier or a written statement that includes:

- (a) Origin and destination;
- (b) A signed copy of a commercial bill of lading annotated with actual weight (or other evidence of actual weight) or a reasonable estimate acceptable to your agency; and
- (c) Anticipated temporary storage period (not to exceed 90 days) at Government expense.

§ 302-7.107 May my HHG be temporarily stored at Government expense?

Yes, HHG may be stored at Government expense incident to the transporting of such goods either at the HHG carrier storage facility or a self storage facility. Storage may be at any combination of origin, en route locations or destination.

§ 302-7.108 What temporary storage expenses will be reimbursed?

 - (1) Handling in;
 - (2) Daily storage;

§ 302-7.109 Are receipts required?

Yes, under the commuted rate system, a receipted copy of the warehouse or other bill for storage is required to support reimbursement.

§ 302-7.110 Is there a reimbursement limit?
