

## §51-5.6

(c) Price changes for commodities and services shall usually apply to orders received by the nonprofit agency on or after the effective date of the change. In special cases, after considering the views of the contracting activity, the Committee may make price changes applicable to orders received by the nonprofit agency prior to the effective date of the change.

(d) To assist the Committee in revising the fair market prices for services on the Procurement List, upon request from the central nonprofit agency, the contracting activity should take the following actions:

(1) Submit to the Department of Labor in a timely fashion a request for wage determination rate.

(2) Provide a copy of the new wage determination rate or the Department of Labor document stating that the wage determination rate is unchanged to the central nonprofit agency at least 60 days before the beginning of the new service period.

(3) Provide to the central nonprofit agency at least 90 days before the beginning of the new service period a copy of the statement of work applicable to the new service period.

(e) If a contracting activity desires packing, packaging, or marking of products other than the standard pack or as provided in the Procurement List, any difference in cost shall be negotiated with the nonprofit agency.

## §51-5.6 Shipping.

(a) Except as provided in paragraph (b) of this section, commodities are sold to the Government on an "F.O.B. destination" basis, with delivery being accomplished when the shipment reaches the facility designated by the contracting activity. Time of delivery is when the shipment is released by the carrier and accepted by the contracting activity or its agent. In this delivery method, the nonprofit agency will normally use commercial bills of lading and will be responsible for any loss or damage to the goods occurring before the commodities reach the designated delivery point. The nonprofit agency will prepare and distribute commercial

bills of lading, furnish delivery schedules, designate the carriers, and pay all shipping charges to specified delivery points.

(b) The Committee may determine that certain commodities are to be sold to the Government on an "F.O.B. origin" basis, with delivery being accomplished when a shipment is placed aboard the vehicle of the initial carrier. Time of delivery is when the shipment is released to and accepted by the initial carrier. In this delivery method, the nonprofit agency will normally use Government bills of lading, and responsibility for loss or damage to the goods while in transit passes to the Government at the time the initial carrier accepts a shipment. If the contracting activity fails to furnish a Government bill of lading promptly, such failure shall be considered an excusable delay in delivery.

**§51-6.1 Direct order process.**

(a) Once a commodity or service is added to the Procurement List, the central nonprofit agency may authorize the contracting activity to issue orders directly to a nonprofit agency without requesting an allocation for each order. This procedure is known as the direct order process.

(b) In these cases, the central nonprofit agency shall specify the normal leadtime required for orders transmitted directly to the nonprofit agencies. This method shall be used whenever possible since it eliminates double handling and decreases the time required for processing orders.

(c) An order for commodities or services shall provide leadtime sufficient for purchase of materials, production or preparation, and delivery or completion.

(d) The central nonprofit agency shall keep the contracting activity informed of any changes in leadtime experienced by its nonprofit agencies in order to keep to a minimum requests for extensions once an order is placed. Where, due to unusual conditions, an order does not provide sufficient leadtime, the central nonprofit agency or the individual nonprofit agency may request an extension of delivery or completion date which should be granted, if feasible. If extension of delivery or completion date is not feasible, the contracting activity shall:

(1) Notify the central nonprofit agency and the individual nonprofit agency(ies) as appropriate.

(2) Request the central nonprofit agency to reallocate or to issue a purchase exception authorizing procurement from commercial sources as provided in §51-5.4 of this chapter.

(e) The contracting activity shall promptly provide to the central non-

profit agency concerned a copy of all orders issued to nonprofit agencies.

(f) The written direct order authorization remains valid until it is revoked by the central nonprofit agency.

**§ 51-6.2 Allocation process.**

(a) In those cases where a direct order authorization has not been issued as described in §51-6.1, the contracting activity shall submit written requests for allocation to the appropriate central nonprofit agency indicated by the Procurement List at the address listed below:

Agency	Agency symbol
National Industries for the Blind, 1901 North Beauregard Street, Suite 200, Alexandria, Virginia 22311-1727.	NIB
NISH, 2235 Cedar Lane, Vienna, Virginia 22182-5200.	NISH

(b) Requests for allocations shall contain, as a minimum:

(1) For commodities. Name, stock number, latest specification, quantity, unit price, and place and time of delivery.

(2) For services. Type and location of service required, latest specification, work to be performed, estimated volume, and time for completion.

(c) Contracting activities shall request allocations in sufficient time for the central nonprofit agency to reply, for the order(s) to be placed, and for the nonprofit agencies to furnish the commodity or service (see paragraph (i) of this section).

(d) When a commodity on the Procurement List also appears on the Federal Prison Industries' "Schedule of Products," the contracting activity shall obtain clearance from the Federal Prison Industries prior to requesting an allocation or placing an order directly to the nonprofit agency(ies).

(e) The central nonprofit agency shall make allocations to the appropriate nonprofit agency(ies) upon receipt of a request from the contracting activity and instruct that the orders be forwarded to the central nonprofit agency or direct to the nonprofit agency(ies) with a copy provided promptly to the central nonprofit agency.
