An individual who intends to visit the Committee offices to inspect this material shall make an appointment with the Executive Director at least one week in advance, except when the Committee has provided notification to the individual that the material is available for inspection in the Committee offices, in which case an appointment must be made at least 24 hours in advance.

§ 51-8.5 Requests for records.

(a) Requests to obtain copies of any material maintained by the Committee must be submitted in writing to the Executive Director at the Committee's offices, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia 22202-3259. The requester may in his or her petition ask for a fee waiver if there is likely to be a charge for the requested information. All requests for records shall be deemed to have been made pursuant to the FOIA, regardless of whether the Act is specifically mentioned. Failure to submit a request in accordance with these procedures may delay the processing of the request.

(b) A request must reasonably describe the records to enable agency personnel to locate them with reasonable effort. Where possible, a requester should supply specific information regarding dates, titles, and other identification which will help to identify the records.

(c) If the Committee determines that a request does not reasonably describe the records, it shall inform the requester of this fact and extend to the requester an opportunity to clarify the request or to confer promptly with knowledgeable agency personnel to attempt to identify the records he or she is seeking. The "date of receipt" in such instances shall be the date of receipt of the amended or clarified request.

(d) Nothing in this part shall be interpreted to preclude the Committee from honoring an oral request for information, but, if the requester is dissatisfied with the response, the Committee official involved shall advise the requester to submit a written re-

quest in accordance with paragraph (a) of this section. The "date of receipt" of such a request shall be the date of receipt of the written request. For recordkeeping purposes, the Committee in responding to an oral request for information may ask the requester to confirm the oral request in writing.

§ 51-8.6 Aggregating requests.

When the Committee reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Committee may aggregate any such requests and charge accordingly. Elements to be considered in determining whether a belief would be reasonable include the time period in which the requests have occurred and the subject matter involved.

§ 51-8.7 Committee response to requests for records.

(a) An initial determination whether, and to what extent, to grant each request for records or a fee waiver shall be made by the Executive Director within 10 days (excepting Saturdays, Sundays, and legal public holidays) after receipt of that request. The person making the request shall be notified as soon as the determination is made.

(b) In making an initial determination whether and to what extent requested information will be released, the Committee shall first consider whether the material requested is of a type described in § 51-8.2(a); if it is, the request shall be granted unless the material is exempted by § 51-8.2(b). If the material requested is not a type described in § 51-8.2(a), or is the subject of one or more exemptions, the request may be denied.

(c) If a determination is made to grant a request, the relevant material shall be furnished as soon as possible following the determination to grant the request, and after payment of the fee specified in § 51-8.12 when required, except that copies of less than 10 pages
