**Subpart 51-9.3—Individual Access to Records**

**§ 51-9.301 Notification.**

Any individual who wishes to determine if a system of records maintained by the Committee contains a record pertaining to him should direct a request to the Executive Director at the address indicated in the public notice describing the system of records which has been published in the FEDERAL REGISTER. The request should display clearly the legend "Privacy Act Request" both on the face of the request letter and on the face of the envelope. The request letter should contain the complete name and identifying number of the system as published in the FEDERAL REGISTER; the full name, address, and telephone number of the subject individual; a brief description of the nature, time, place and circumstances of the individual's association with the Committee and any other information which the individual believes would facilitate the Executive Director's determination whether the individual's name is included in the system of records. The Executive Director shall answer or acknowledge the request within ten working days.

**§ 51-9.302 Times, places and requirements for access requests.**

Records will be available for authorized access during normal business hours at the offices where the records are located. A requester should be prepared to identify himself through production of a driver's license, student or employee identification card, or other identification acceptable to the Executive Director. When the disclosure of records to the wrong individual would result in substantial harm, embarrassment, inconvenience, or unfairness to the subject individual, the Executive Director may require a notarized statement of identity. The Executive Director shall ensure that such times, places, and requirements for identification are not excessive and do not restrict individual access unduly.
