If the purpose or program for which the lands would be withdrawn is classified for national security reasons, a statement to that effect shall be included; but, if at all possible, a general description of the use to which the lands would be devoted, if the requested withdrawal is allowed, should be included. In the case of applications that are not classified for national security reasons, an analysis of the manner in which the lands as well as their natural resources and resource values would be used to implement the purpose or program shall be provided.

The statement shall include a study comparing the projected costs of obtaining each alternative site in suitable condition for the intended use, as well as the projected costs of obtaining and developing each alternative site for uses that the requested withdrawal action would displace.

(13) A statement as to whether water will or will not be needed to fulfill the purpose of the requested withdrawal action.

(d) If a petition seeks an emergency withdrawal under the provisions of section 204(e) of the act, the petition shall be filed simultaneously with an application for withdrawal. In such instances, the petition/application shall provide as much of the information required by §§ 2310.1-2(c) and 2310.3-2(b) of this title as is available to the petitioner when the petition is submitted.

(e) Upon the approval by the Secretary of a petition for withdrawal, the petition shall be considered as a Secretarial proposal for withdrawal, and notice of the withdrawal proposal shall be published immediately in the FEDERAL REGISTER in accordance with § 2310.3-1(a) of this title. (b) The Secretary may deny an application if the costs (as defined in section 304(b) of the Act (43 U.S.C. 1734(b)) estimated to be incurred by the Department of the Interior would, in the judgment of the Secretary, be excessive in relation to available funds appropriated for processing applications requesting a discretionary withdrawal, or a modification or extension of a withdrawal.

The following provisions apply only to applications or proposals to withdraw lands and not to applications or proposals seeking to modify or extend withdrawals.
