### § 2563.1-1 Application.

(a) *Form and contents of applications.* Applications under the Act of March 3, 1927, must be filed in duplicate in the proper office for the district in which the land is situated, and the claim must be in reasonably compact form. (5) The location of the tract applied for with respect to the place of business and other facts demonstrating its adaptability to the purpose of a homestead or headquarters.

(6) That no portion of the tract applied for is occupied or reserved for any purpose by the United States, or occupied or claimed by any natives of Alaska, or occupied as a town site or missionary station or reserved from sale, and that the tract does not include improvements made by or in possession of another person, association, or corporation.

Where a supplemental plat is required, to provide a proper description, it will be prepared at the time of approval of the application.
