§ 2621.0-3 Authority.

(a) Sections 2275 and 2276 of the Revised Statutes, as amended (43 U.S.C. 851, 852), referred to in §§ 2621.0-3 to 2621.4 of this subpart as *the law*, authorize the public land States except Alaska to select lands (or the retained or reserved interest of the United States in lands which have been disposed of with a reservation to the United States of all minerals, or any specified mineral or minerals, which interest is referred to in §§ 2621.0-3 to 2621.4 as the *mineral estate*) of equal acreage within their boundaries as indemnity for grant lands in place lost to the States because of appropriation before title could pass to the State or because of natural deficiencies resulting from such causes as fractional sections and fractional townships.

(b) The law provides that indemnity for lands lost because of natural deficiencies will be selected from the unappropriated, nonmineral, public lands, and that indemnity for lands lost before title could pass to the State will be selected from the unappropriated, public lands subject to the following restrictions:

(1) No lands mineral in character may be selected except to the extent that the selection is made as indemnity for mineral lands.

(2) No lands on a known geologic structure of a producing oil or gas field may be selected except to the extent that the selection is made as indemnity for lands on such a structure.

(c) The law also provides that lands subject to a mineral lease or permit may be selected, but only if the lands are otherwise available for selection, and if none of the lands subject to that lease or permit are in producing or producible status. It permits the selection of lands withdrawn, classified, or reported as valuable for coal, phosphate, nitrate, potash, oil, gas, asphaltic minerals, oil shale, sodium, and sulphur

and lands withdrawn by Executive Order 5327 of April 15, 1930, if such lands are otherwise available for, and subject to, selection: *Provided*, That except where the base lands are mineral in character, such minerals are reserved to the United States in accordance with and subject to the regulations in subpart 2093. Except for the withdrawals mentioned in this paragraph and for lands subject to classification under section 7 of the Taylor Grazing Act of June 28, 1934 (48 Stat. 1269; 43 U.S.C. 315f), as amended, the law does not permit the selection of withdrawn or reserved lands.

(d) Subsection (b) of the section 2276 of the Revised Statutes, as amended, sets forth the principles of adjustment where selections are made to compensate for deficiencies of school lands in fractional townships.

§ 2621.1 Applications for selection.

(a) Applications for selection must be made on a form approved by the Director, and must be accompanied by a petition on a form approved by the Director properly executed. However, if the lands described in application have been already classified and opened for selection pursuant to the regulations of this part, no petition is required.

(b) Applications for selection under the law will be made by the proper selecting agent of the State and will be filed, in duplicate, in the proper office in the State or for lands or mineral estate in a State in which there is no office, will be filed in accordance with the provisions of § 1821.2 of this chapter.

(c) Applications must be accompanied by the following information:

(1) A reference to the Act of August 27, 1958 (72 Stat. 928), as amended.

(2) A certificate by the selecting agent showing:

(i) All facts relative to medicinal or hot springs or other waters upon the selected lands.

(This provision does not apply insofar as the application involves the selection of the mineral estate.)

(ii) That indemnity has not been previously granted for the assigned base
