### § 2653.5 Cemetery sites and historical places.

(a) The appropriate regional corporation may apply to the Secretary for the conveyance of existing cemetery sites or historical places pursuant to section 14(h) of the Act. The Secretary may give favorable consideration to these applications: *Provided*, That the Secretary determines that the criteria in these regulations are met: *And provided further*, That the regional corporation agrees to accept a covenant in the conveyance that these cemetery sites or historical places will be maintained and preserved solely as cemetery sites or historical places by the regional corporation, in accordance with the provisions for conveyance reservations in § 2653.11.

(b) A historical place may be granted in a National Wildlife Refuge or National Forest unless, in the judgment of the Secretary, the events or the qualities of the site from which it derives its particular value and significance as a historical place can be commemorated or found in an alternative site outside the refuge or forest, or if the Secretary determines that the conveyance could have a substantial detrimental effect on (1) a fish or wildlife

population, (2) its habitat, (3) the management of such population or habitat, or (4) access by a fish or wildlife population to a critical part of its habitat.

(c) Although the existence of a cemetery site or historical place and a proper application for its conveyance create no valid existing right, they operate to segregate the land from all other forms of appropriation under the public land laws. Conveyances of lands reserved for the National Wildlife Refuge System made pursuant to this subpart are subject to the provisions of section 22(g) of the Act and § 2650.4-6 as though they were conveyances to a village corporation.
