(g) Lands under the jurisdiction of another agency shall not be determined to be suitable for lease or sale without that agency's approval.

(h)(1) A notice of realty action which shall serve as a classification of public lands as suitable or unsuitable for conveyance or lease under the act shall be issued, published and sent to parties of interest by the authorized officer not less than 60 days prior to the proposed effective date of the classification action. Notices specifying public lands classified as suitable shall include: the use proposed; whether the lands are to be conveyed or leased; and the terms, covenants, conditions and reservations which shall be included in the conveyance or lease document. The notice shall provide at least 45 days from the date of issuance for submission of public comments.

If, after 18 months following the issuance of the notice, an application has not been filed for the purpose for which the public lands have been classified, the segregative effect of the classification shall automatically expire and the public lands classified in the notice shall return to their former status without further action by the authorized officer.

(3) The notice of realty action shall be published once in the FEDERAL REGISTER and once a week for 3 weeks thereafter in a newspaper of general circulation in the vicinity of the public lands covered by the notice.
