

§ 2800.0-7

43 CFR Ch. II (10-1-04 Edition)

communication use with the highest assigned schedule rent in the facility, in accordance with terms of the right-of-way grant.

(bb) Tenant means an occupant who rents space in a facility and operates communication equipment in the facility to resell the communication service to others for a profit. For purposes of calculating rent, the term "tenant" does not include private mobile radio or those uses included in the category of Other Communication Uses.

(cc) Customer means a person who is paying the facility owner or tenant for communication services, and is not reselling communication services to others. Persons or entities benefiting from private or internal communication uses located in a CMRS facility are considered customers for purposes of calculating rent.

§ 2800.0-7 Scope.

This part sets forth regulations governing:

(a) Issuing, amending or renewing right-of-way grants for necessary transportation or other systems or facilities which are in the public interest and which require rights-of-way over, upon, under or through public lands, including but not limited to:

(1) Reservoirs, canals, ditches, flumes, laterals, pipes, pipelines, tunnels and other facilities and systems for the impoundment, storage, transportation or distribution of water;

(2) Pipelines and other systems for the transportation or distribution of liquids and gases, other than water and other than oil, natural gas, synthetic liquid or gaseous fuels, or any refined product produced therefrom, and for storage and terminal facilities in connection therewith;

(3) Pipelines, slurry and emulsion systems, and conveyor belts for transportation and distribution of solid materials, and facilities for the storage of such materials in connection therewith;

(4) Systems for generation, transmission and distribution of electric energy, except that the applicant shall

also comply with all applicable requirements of the Federal Energy Regulatory Commission under the Federal Power Act of 1935 (16 U.S.C. 791);

(5) Systems for transmission or reception of radio, television, telephone, telegraph and other electronic signals, and other means of communication;

(6) Roads, trails, highways, railroads, canals, tunnels, tramways, airways, livestock driveways or other means of transportation except where such facilities are constructed and maintained in connection with commercial recreation facilities on lands in the National Forest System;

(7) Such other necessary transportation or other systems or facilities which are in the public interest and which require rights-of-way over, upon, under or through such lands; or

(8) Rights-of-way to any Federal department or agency for pipeline purposes for the transportation of oil, natural gas, synthetic liquid or gaseous fuels, or any product produced therefrom.

(b) Temporary use of additional public lands for such purposes as the Secretary determines to be reasonably necessary for construction, operation, maintenance or termination of rights-of-way, or for access to the project or a portion of the project.

(c) However, the regulations contained in this part do not cover right-of-way grants for: Federal Aid Highways, roads constructed or used pursuant to cost share or reciprocal road use agreements, wilderness areas, and oil, gas and petroleum products pipelines except as provided for in § 2800.0-7(a)(8) of this title.

§ 2800.0-9 Information collection.

(a) The information collection requirements contained in part 2800 of Group 2800 have been approved by the Office of Management and Budget under 44 U.S.C. 3507 and assigned clearance numbers 1004-0102 and 1004-0107. The information is being collected to permit the authorized officer to determine if use of the public lands should be granted for rights-of-way grants or temporary use permits. The information will be used to make this determination. A response is required to obtain a benefit.
