

§ 2801.1-2

43 CFR Ch. II (10-1-04 Edition)

public lands to be used or occupied and the grant or permit shall be limited to those lands which the authorized officer determines:

(1) Will be occupied by the facilities authorized;

(2) To be necessary for the construction, operation, maintenance, and termination of the authorized facilities;

(3) To be necessary to protect the public health and safety; and

(4) Will do no unnecessary damage to the environment.

(h) Each grant or permit shall specify its term. The term of the grant shall be limited to a reasonable period. A reasonable period for a right-of-way grant may range from a month to a year or a term of years to perpetuity. The term for a temporary use shall not exceed 3 years. In determining the period for any specific grant or permit, the authorized officer shall provide for a term necessary to accomplish the purpose of the authorization. Factors to be considered by the authorized officer for the purpose of establishing an equitable term pertaining to the use include, but are not limited to:

(1) Public purpose served;

(2) Cost and useful life of the facility; and

(3) Time limitations imposed by required licenses or permits that the holder is required to secure from other Federal or State agencies.

(i) Each grant issued for a term of 20 years or more shall contain a provision requiring periodic review of the grant at the end of the twentieth year and at regular intervals thereafter not to exceed 10 years.

(j) Each grant shall have a provision stating whether it is renewable or not and if renewable, the terms and conditions applicable to the renewal.

(k) Each grant shall not only comply with the regulations of this part, but also, comply with the provisions of any other applicable law and implementing regulations as appropriate.

§ 2801.1-2 Reciprocal grants.

When the authorized officer determines from an analysis of land use plans or other management decisions

that a right-of-way for an access road is or shall be needed by the United States across lands directly or indirectly owned or controlled by an applicant for a right-of-way grant, he or she shall, if it is determined to be in the public interest, require the applicant, as a condition to receiving a right-of-way grant, to grant the United States an equivalent right-of-way that is adequate in duration and rights.

§ 2801.2 Terms and conditions of interest granted.

(a) An applicant by accepting a right-of-way grant, temporary use permit, assignment, amendment or renewal agrees and consents to comply with and be bound by the following terms and conditions, excepting those which the Secretary may waive in a particular case:

(1) To the extent practicable, all State and Federal laws applicable to the authorized use and such additional State and Federal laws, along with the implementing regulations, that may be enacted and issued during the term of the grant or permit.

(2) That in the construction, operation, maintenance and termination of the authorized use, there shall be no discrimination against any employee or applicant for employment because of race, creed, color, sex or national origin and all subcontracts shall include an identical provision.

(3) To rebuild and repair roads, fences, and established trails that may be destroyed or damaged by construction, operation or maintenance of the project and to build and maintain suitable crossings for existing roads and significant trails that intersect the project.

(4) To do everything reasonably within his or her power, both independently and upon request of the authorized officer, to prevent and suppress fires on or in the immediate vicinity of the right-of-way or permit area. This includes making available such construction and maintenance forces as may be reasonably obtained for the suppression of fires.

(b) All right-of-way grants and temporary use permits issued, renewed,

§ 2801.3

amended or assigned under these regulations shall contain such terms, conditions, and stipulations as may be required by the authorized officer regarding extent, duration, survey, location, construction, operation, maintenance, use and termination. The authorized officer shall impose stipulations which shall include, but shall not be limited to:

(1) Requirements for restoration, revegetation and curtailment of erosion of the surface of the land, or any other rehabilitation measure determined necessary;

(2) Requirements to ensure that activities in connection with the grant or permit shall not violate applicable air and water quality standards or related facility siting standards established by or pursuant to applicable Federal or State law;

(3) Requirements designed to control or prevent damage to scenic, esthetic, cultural and environmental values (including damage to fish and wildlife habitat), damage to Federal property and hazards to public health and safety;

(4) Requirements to protect the interests of individuals living in the general area who rely on the fish, wildlife and biotic resources of the area for subsistence purposes;

(5) Requirements to ensure that the facilities to be constructed, used and operated on the prescribed location are maintained and operated in a manner consistent with the grant or permit; and

(6) Requirements for compliance with State standards for public health and safety, environmental protection and siting, construction, operation and maintenance when those standards are more stringent than Federal standards.

§ 2801.3 Unauthorized use, occupancy, or development.

(a) Any use, occupancy, or development of the public lands that requires a right-of-way, temporary use permit, or other authorization pursuant to the regulations of that part and that has not been so authorized, or that is beyond the scope and specific limitations of such an authorization, or that causes unnecessary or undue degrada-

tion, is prohibited and shall constitute a trespass as defined in § 2800.0-5.

(b) Anyone determined by the authorized officer to be in violation of paragraph (a) of this section shall be notified in writing of such trespass and shall be liable to the United States for:

(1) Reimbursement of all costs incurred by the United States in the investigation and termination of such trespass;

(2) The rental value of the lands, as provided for in § 2803.1-2 of this title, for the current year and past years of trespass, or where applicable, the cumulative value of the current use fee, amortization fee, and maintenance fee as determined by the authorized officer for unauthorized use of any road administered by the BLM; and

(3) Rehabilitating and stabilizing any lands that were harmed by such trespass. If the trespasser does not rehabilitate and stabilize the lands within the time set by the authorized officer in the notice, he/she shall be liable for the costs incurred by the United States in rehabilitating and stabilizing such lands.

(c) In addition to amounts due under the provisions of paragraph (b) of this section, the following penalties shall be assessed by the authorized officer:

(1) For all nonwillful trespass which is not resolved by meeting one of the conditions identified in § 9239.7-1 within 30 days of receipt of a written demand under paragraph (b) of this section—an amount equal to the rental value and for roads, an amount equal to the charges for road use, amortization and maintenance which have accrued since the inception of the trespass;

(2) For repeated nonwillful or willful trespass—an amount that is 2 times the rental value and for roads, an amount 2 times the charges for road use, amortization and maintenance which have accrued since the inception of the trespass.

(d) In no event shall settlement for trespass computed pursuant to paragraphs (b) and (c) of this section be less than the processing fee for a Category I application for provided for in § 2808.3-1 of this title for nonwillful trespass or less than 3 times this value for repeated nonwillful or knowing and
