

Bureau of Land Management, Interior

§ 2812.1-2

will be used to make this determination. A response is required to obtain a benefit.

[60 FR 57072, Nov. 13, 1995]

§ 2812.1 Application procedures.

§ 2812.1-1 Filing.

(a) An application for a permit for a right-of-way over the O. and C. lands must be submitted in duplicate on a form prescribed by the Director and filed in the appropriate district office. Application forms will be furnished upon request.

(b) Any application filed hereunder, including each agreement submitted by the applicant as a part thereof or as a condition precedent to the issuance of a permit, may be withdrawn by the applicant by written notice delivered to the authorized officer prior to the time the permit applied for has been issued to, and accepted by, the applicant.

[35 FR 9637, June 13, 1970, as amended at 41 FR 21642, May 27, 1976]

§ 2812.1-2 Contents.

(a) An individual applicant and each member of any unincorporated association which is an applicant must state in the application whether he is a native born or a naturalized citizen of the United States. Naturalized citizens will be required to furnish evidence of naturalization pursuant to the provisions of § 2802.1-4.

(b) An application by a private corporation must be accompanied by two copies of its articles of incorporation, one of which must be certified by the proper official of the company under its corporate seal, or by the secretary of the State where organized. A corporation organized in a State other than Oregon must submit a certificate issued by the State of Oregon attesting that the corporation is authorized to transact business within that State. The requirements of this paragraph shall be deemed satisfied if the corporation, having once filed the required documents, makes specific reference to the date and case number of such previous applications, states what changes, if any, have been made since the prior filings, and includes a statement that the right of the company to

do business in the State of Oregon has not lapsed or terminated.

(c) Where the application is for a right-of-way on any portion of which the applicant proposes to construct a road, it must be accompanied by two copies of a map prepared on a scale of 4 inches or 8 inches to the mile. Showing the survey of the right-of-way so that it may be accurately located on the ground. The map should comply with the following requirements, except as the authorized officer may waive in any particular instance all or any of such requirements:

Courses and distances of the center line of the right-of-way should be given; the courses referred to the true meridian and the distance in feet and decimals thereof. The initial and terminal points of the survey must be accurately connected by course and distance to the nearest readily identifiable corner of the public land surveys, or, if there be no such corner within two miles, then connected to two permanent and prominent monuments or natural objects. All subdivisions of the public lands surveys, any part of which is within the limits of the survey, should be shown in their entirety, based upon the official subsisting plat with subdivisions, section, township, and range clearly marked. The width of the right-of-way should be given; and if not of uniform width, the locations and amount of change must be definitely shown. There shall also be a statement on the face of or appended to the map indicating the grade and usable width of the road to be constructed, the type of material which will be used for the surface, the type and extent of the drainage facilities, and the type of construction and estimated capacity of any bridges. The map should bear upon its face the statement of the person who made the survey, if any, and the certificate of the applicant; such statement and certificate should be as set out in Forms as approved by the Director.

(d) Where the application is for the use of an existing road, a map adequate to show the location thereof will be required, together with a statement of the specific nature and location of any proposed improvements to such road. A blank map suitable for most cases may be procured from the appropriate district forester.

(e) Every application for a right-of-way must also be accompanied by a diagram indicating the roads and rights-of-way which form an integral part of the road system with which the requested right-of-way will connect,
