§ 2882.2-3 Application content.

(a) Applications for right-of-way grants and temporary use permits shall be filed on a form approved by the Director. The application form shall contain instructions for completion of the form and shall require the following information:

(1) The name and address of the applicant and the applicant's agent, if appropriate;

(2) A description of the applicant's proposal;

(3) A map, USGS quadrangle, aerial photo or equivalent, showing the approximate location of the proposed right-of-way and facilities on public lands and existing improvements adjacent to the proposal, shall be attached to the application. Only the existing adjacent improvements which the proposal may directly affect need be shown on the map;

(4) A statement of the applicant's technical and financial capability to construct, operate, maintain and terminate the proposals;

(5) Certification by the applicant that he/she is of legal age, authorized to do business in the State and that the information submitted is correct to the best of the applicant's knowledge; and

(6) Disclose, to the extent applicable, the applicant's citizenship and the partnership, corporation, association and other business entity information required by § 2882.2-1 of this title.

(b) The applicant may submit additional information to assist the authorized officer in processing the application. Such information may include, but is not limited to, the following:

(1) Federal or State approvals required for the proposal;

43 CFR Ch. II (10-1-04 Edition)

(2) A description of the alternative route(s) and mode(s) considered by the applicant when developing the proposal;

(3) Copies of or reference to similar applications or grants the applicant has submitted or holds;

(4) A statement of need and economic feasibility or other proposal; and

(5) A statement of the environmental, social and economic effects of the proposal.

§ 2882.3 Application processing.

(a) If the grant involves a pipeline 24 inches or more in diameter, BLM will not issue or renew the grant until after we notify the appropriate committees of Congress in accordance with 30 U.S.C. 185(w).

(b) Upon receipt of an application for a right-of-way grant, the authorized officer shall publish a notice of the application in the FEDERAL REGISTER and an announcement in a newspaper or newspapers having general circulation in the vicinity of the Federal lands affected, or, if in the opinion of the authorized officer, the pipeline impacts are of a minor nature, the notice of application may be waived or published only in a newspaper having general circulation in the area or areas in the vicinity of the affected Federal lands. The notice shall contain a description of the pipeline systems as required in § 2882.2-3(a) (2) and (3) of this title, together with such other information as the authorized officer considers pertinent. The notice shall state where the application and related documents are available for interested persons to review. Copies of the notice shall be sent to the Governor of each State within which the pipeline system may be located, the head of each local government or jurisdiction within which the pipeline system may be located, and each agency head, for review and comment.

(c) Where an application for a right-of-way grant or temporary use permit is incomplete or not in conformity with the Act or these regulations, the authorized officer may reject the application or notify the applicant of the deficiencies and afford the applicant an opportunity to file corrections.
