Such consultation is necessary to determine land availability and conformity of proposed use with approved land use plans, explain associated statutory and regulatory requirements, familiarize the potential applicant with respective management responsibilities, set forth the application processing procedures for the proposed action, and identify potential conflicts. Upon completion of the consultation, persons seeking to lease public lands for a public airport may submit an application for consideration by the authorized officer.

§ 2911.2-2 Applications.

(a) Each application shall clearly describe the lands applied for by legal subdivisions and/or by metes and bounds and contain a plan of development and use signed by the applicant or by a duly authorized agent or officer of the applicant. When required by the authorized officer, the application shall include copies of the appropriate State, county, or municipal airport licenses or permits, as well as such additional States and local clearances as may be required.

(b) Each application shall be accompanied by a non-refundable filing fee of \$100. Each applicant shall also be required to pay the cost of publication of a Notice of Realty Action in the FEDERAL REGISTER and a newspaper of general circulation in the area in which the lands are located.

(c) If approval of an application results in cancellation of a grazing permit of lease or a reduction in grazing acreage, the provisions of § 4110.4-2 of this title shall apply.

§ 2911.2-3 Report by Administrator; Notice of Realty Action.

(a) Upon receipt of the application, the authorized officer shall send 1 copy to the Administrator for a determination concerning what fuel facilities, lights, and other furnishings are necessary to meet the rating set by that agency. After receiving the report of the Administrator, and before making a determination to issue a lease, the authorized officer shall publish a Notice of Realty Action in the FEDERAL

REGISTER and in a newspaper of general circulation in the area of the lands to be leased. The notice shall provide 45 days from the date of publication in the FEDERAL REGISTER for comments by the public. Comments shall be sent to the office issuing the notice. The notice shall not be published until the authorized officer has received the filing fee from the applicant and is satisfied that all statutory and regulatory requirements have been met.

(b) The notice of realty action may segregate the lands or interests in lands to be conveyed to the extent that they will not be subject to appropriation under the public land laws, including the mining laws. The segregative effect of the notice of realty action shall terminate either upon issuance of a document of conveyance or 1 year from the date of publication in the FEDERAL REGISTER, whichever occurs first.
