Where a land use authorization is issued to a State or local government or any agency or instrumentality thereof, which has no legal power to assume such liability with respect to damages caused by it to lands or property, such State or local government or agency in lieu thereof shall be required to repair all damages.

(g) The authorized officer may require a bond or other security satisfactory to him/her to insure the fulfillment of the terms and conditions of the land use authorization.

(h) Any land use authorization existing on the effective date of this regulation is not affected by this regulation and shall continue to be administered under the statutory authority under which it was issued. However, by filing a proposal for amendment or renewal, the holder of a land use authorization shall be considered to have agreed to convert the entire authorization to the current statutory authority and the regulations in effect at the time of approval of the amendment or renewal.

(i) The holder of a land use authorization who has complied with the provisions thereof, shall, upon the filing of a request for renewal, be the preferred user for a new land use authorization provided that the public lands are not needed for another use. Renewal, if granted, shall be subject to new terms and conditions. (3) The rental fees required by this section are payable when due, and a late charge of 1 percent per month of the unpaid amount or \$15 per month, whichever is greater, shall be assessed if subsequent billings are required. Failure to pay the rental fee in a timely manner is cause for termination of the land use authorization.
