

Bureau of Land Management, Interior

§ 2932.43

(3) Will provide fee information in field offices, and

(4) Will provide newspaper or other appropriate public notice.

(e)(1) *Commercial use.* In addition to the fees set by the Director, BLM, if BLM needs more than 50 hours of staff time to process a Special Recreation Permit for commercial use in any one year, we may charge a fee for recovery of the processing costs.

(2) *Competitive or organized group/event use.* BLM may charge a fee for recovery of costs to the agency of analyses and permit processing instead of the Special Recreation Permit fee, if—

(i) BLM needs more than 50 hours of staff time to process a Special Recreation Permit for competitive or organized group/event use in any one year, and

(ii) We anticipate that permit fees on the fee schedule for that year will be less than the costs of processing the permit.

(3) *Limitations on cost recovery.* Cost recovery charges will be limited to BLM's costs of issuing the permit, including necessary environmental documentation, on-site monitoring, and permit enforcement. Programmatic or general land use plan NEPA documentation are not subject to cost recovery charges, except if the documentation work done was done for or provides special benefits or services to an identifiable individual applicant.

(f) We will notify you in writing if you need to pay actual costs before processing your application.

§ 2932.32 When must I pay the fees?

You must pay the required fees before BLM will authorize your use and by the deadline or deadlines that BLM will establish in each case. We may allow you to make periodic payments for commercial use. We will not process or continue processing your application until you have paid the required fees or installments.

§ 2932.33 When are fees refundable?

(a) *Overpayments.* For multi-year commercial permits, if your actual fees due are less than the estimated fees you paid in advance, BLM will credit overpayments to the following year or season. For other permits, BLM will

give you the option whether to receive refunds or credit overpayments to future permits, less processing costs.

(b) *Underuse.* (1) Except as provided in paragraph (b)(2) of this section, for areas where BLM's planning process allocates use to commercial outfitters, or non-commercial users, or a combination, we will not make refunds for use of the areas we allocate to you in your permit if your actual use is less than your intended use.

(2) We may consider a refund if we have sufficient time to authorize use by others.

(c) *Non-refundable fees.* Application fees and minimum annual commercial use fees (those on BLM's published fee schedule) are not refundable.

§ 2932.34 When may BLM waive Special Recreation Permit fees?

BLM may waive Special Recreation Permit fees on a case-by-case basis for accredited academic, scientific, and research institutions, therapeutic, or administrative uses.

§ 2932.40 Permit stipulations and terms.

§ 2932.41 What stipulations must I follow?

You must follow all stipulations in your approved Special Recreation Permit. BLM may impose stipulations and conditions to meet management goals and objectives and to protect lands and resources and the public interest.

§ 2932.42 How long is my Special Recreation Permit valid?

You may request a permit for a day, season of use, or other time period, up to a maximum of 10 years. BLM will determine the appropriate term on a case-by-case basis.

§ 2932.43 What insurance requirements pertain to Special Recreation Permits?

(a) All commercial and competitive applicants for Special Recreation Permits, except vendors, must obtain a property damage, personal injury, and public liability insurance policy that BLM judges sufficient to protect the
