

§ 3135.3

(2) Relieves you of your obligation to pay rent, royalty, or minimum royalty during the suspension; and

(3) Prohibits you from operating on, producing from, or having any other beneficial use of your lease during the suspension. However, you must continue to perform necessary maintenance and safety activities.

[67 FR 17886, Apr. 11, 2002]

§ 3135.3 How do I apply for a suspension of operations and production?

(a) You must submit to BLM an application stating the circumstances that are beyond your reasonable control that prevent you from operating or producing your lease(s).

(b) Your suspension application must be signed by—

(1) All record title holders of the lease; or

(2) The operator on behalf of the record title holders of the leases committed to an approved agreement.

(c) You must submit your application to BLM before your lease expires.

(d) Your application must be for your entire lease.

[67 FR 17886, Apr. 11, 2002]

§ 3135.4 When is a suspension of operations and production effective?

A suspension of operations and production is effective—

(a) The first day of the month in which you file the application for suspension or BLM requires the suspension; or

(b) Any other date BLM specifies in the decision document.

[67 FR 17886, Apr. 11, 2002]

§ 3135.5 When should I stop paying rental or royalty after BLM requires or approves a suspension of operations and production?

You should stop paying rental or royalty on the first day of the month that the suspension is effective. However, if there is any production sold or removed during that month, you must pay royalty on that production.

[67 FR 17886, Apr. 11, 2002]

§ 3135.6 When will my suspension terminate?

(a) Your suspension terminates—

43 CFR Ch. II (10–1–04 Edition)

(1) On the first day of the month in which you begin to operate or produce on your lease with BLM approval; or

(2) The date BLM specifies in a written notice to you.

(b) You must notify BLM at least 24 hours before you begin operations or production under paragraph (a)(1) of this section.

[67 FR 17886, Apr. 11, 2002]

§ 3135.7 What effect does a suspension of operations and production have on the term of my lease?

(a) *Primary term.* If BLM grants a suspension of operations and production for your lease, the suspension stops the running of the primary term of your lease for the period of the suspension.

(b) *Extended term.* If your lease is in its extended term, a suspension holds your lease in its extended term for the period of the suspension as if it were in production.

[67 FR 17886, Apr. 11, 2002]

§ 3135.8 If BLM requires a suspension or grants my request for a suspension of operations and production for my lease, when must I next pay advance annual rental, royalty, or minimum royalty?

(a) You are not required to submit your next rental or minimum royalty payment until the date the suspension terminates. Therefore, if your suspension begins in month 3 of lease year A and ends in month 2 of lease year B, you must submit your rental payment for lease year B when your suspension ends. BLM will send a written notice to the lessee and operator stating that the suspension is terminated and the date your rental payment for lease year B is due to MMS. BLM's notice also will state when you must pay any minimum royalty due for lease year A. Your minimum royalty for lease year B will be due at the end of that year.

(b) If you remove or sell any production from the lease during the term of the suspension, you must pay royalty on that production.
