

amount, frequency, approximate beginning date, and duration of the deduction. 5 U.S.C. 5514 and 31 U.S.C. 3716 govern such proceedings;

(d) If you are an employee of a Federal agency other than the Corporation, by initiating certification procedures to implement a salary offset by that Federal agency (see subpart C of this part). 5 U.S.C. 5514 governs such proceedings;

(e) By referring the debt to the Treasury for offset against any refund of overpayment of tax (see subpart D of this part);

(f) By administrative offset (see subpart E of this part);

(g) By administrative wage garnishment (see subpart F of this part); or

(h) By liquidation of security or collateral. The Corporation has the right to hold security or collateral, liquidate it, and apply the proceeds to your debt through the exercise of a power of sale in the security instrument or a foreclosure. The Corporation will not follow the procedures in this paragraph (h) if the cost of disposing of the collateral will be disproportionate to its value.

**§ 2506.16 What will the notice tell me about my opportunity for review of my debt?**

The notice provided by the Corporation under §§ 2506.14 and 2506.15 will also advise you of the opportunity to obtain a review within the Corporation concerning the existence or amount of the debt or the proposed schedule for offset of Federal employee salary payments. The notice will also advise you of the following:

(a) The name, address, and telephone number of a Corporation official whom you may contact concerning procedures for requesting a review;

(b) The method and time period for requesting a review;

(c) That the filing of a request for a review on or before the 60th day following the date of the notice will stay the commencement of collection proceedings;

(d) The name and address of the Corporation official to whom you should send the request for a review;

(e) That a final decision on the review (if one is requested) will be issued

in writing at the earliest practical date, but not later than 60 days after the receipt of the request for a review, unless you request, and the review official grants, a delay in the proceedings;

(f) That any knowingly false or frivolous statements, representations, or evidence may subject you to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;

(2) Penalties under the False Claims Act (31 U.S.C. 3729-3733) or any other applicable statutory authority; and

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or any other applicable statutory authority;

(g) Any other rights available to you to dispute the validity of the debt or to have recovery of the debt waived, or remedies available to you under statutes or regulations governing the program for which the collection is being made; and

(h) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt that are later waived or found not owed will be promptly refunded to you.

**§ 2506.17 What must I do to obtain a review of my debt, and how will the review process work?**

(a) *Request for review.* (1) You have the right to request a review by the Corporation of the existence or the amount of your debt, the proposed schedule for offset of Federal employee salary payments, or whether the debt is past due or legally enforceable. If you want a review, you must send a written request to the Corporation official designated in the notice (see § 2506.16(d)).

(2) You must sign your request for review and fully identify and explain with reasonable specificity all the facts, evidence, and witnesses that support your position. Your request for review should be accompanied by available evidence to support your contentions.

(3) Your request for review must be received by the designated officer or employee of the Corporation on or before the 60th calendar day following the date of the notice. Timely filing

§ 2506.17

45 CFR Ch. XXV (10–1–04 Edition)

will stay the commencement of collection procedures. The Corporation may consider requests filed after the 60-day period provided for in this section if you:

(i) Can show that the delay was the result of circumstances beyond your control; or

(ii) Did not receive notice of the filing deadline (unless you had actual notice of the filing deadline).

(b) *Inspection of the Corporation records related to the debt.* (1) If you want to inspect or copy the Corporation records related to the debt (see § 2506.14(a)(5)), you must send a letter to the Corporation official designated in the notice. Your letter must be received within 30 days of the date of the notice.

(2) In response to the timely request described in paragraph (b)(1) of this section, the designated Corporation official will notify you of the location and time when you may inspect and copy records related to the debt.

(3) If personal inspection of the Corporation records related to the debt is impractical, reasonable arrangements will be made to send you copies of those records.

(c) *Review official.* (1) When required by Federal law or regulation, such as in a salary offset situation, the Corporation will request an administrative law judge, or hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, to conduct the review. In these cases, the hearing official will, following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation's final decision (see paragraph (f) of this section for content of the review decision).

(2) When Federal law or regulation does not require the Corporation to have the review conducted by an administrative law judge, or by a hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, the Corporation has the right to appoint a hearing official to conduct the review. In these cases, the hearing official will, following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation's

final decision (see paragraph (f) of this section for the content of the review decision).

(d) *Review procedure.* If you request a review, the review official will notify you of the form of the review to be provided. The review official will determine whether an oral hearing is required, or if a review of the written record is sufficient, in accordance with the FCCS. Although you may request an oral hearing, such a hearing is required only when a review of the documentary evidence cannot determine the question of indebtedness, such as when the validity of the debt turns on an issue of credibility or truthfulness. In either case, the review official will conduct the review in accordance with the FCCS. If the review will include an oral hearing, the notice sent to you by the review official will set forth the date, time, and location of the hearing.

(e) *Date of decision.* (1) The review official will issue a written decision, based upon either the written record or documentary evidence and information developed at an oral hearing. This decision will be issued as soon as practical, but not later than 60 days after the date on which the Corporation received your request for a review, unless you request, and the review official grants, a delay in the proceedings.

(2) If the Corporation is unable to issue a decision within 60 days after the receipt of the request for a hearing:

(i) The Corporation may not issue a withholding order or take other action until the review (in whatever form) is held and a decision is rendered; and

(ii) If the Corporation previously issued a withholding order to the debtor's employer, the Corporation must suspend the withholding order beginning on the 61st day after the receipt of the review request and continuing until a review (in whatever form) is held and a decision is rendered.

(f) *Content of review decision.* The review official will prepare a written decision that includes:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The review official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedule, if applicable.

(g) *Interest, penalty charge, and administrative cost accrual during review period.* Interest, penalty charges, and administrative costs authorized by law will continue to accrue during the review period.

**§ 2506.18 What interest, penalty charges, and administrative costs will I have to pay on a debt owed to the Corporation?**

(a) *Interest.* (1) The Corporation will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(2) Interest begins to accrue on all debts from the date that the debt becomes delinquent. The Corporation will not recover interest if you pay the debt within 30 days of the date on which interest begins to accrue. The Corporation will assess interest at the rate established annually by the Secretary of the Treasury under 31 U.S.C. 3717, unless a different rate is either necessary to protect the interests of the Corporation or established by a contract, repayment agreement, or statute. The Corporation will notify you of the basis for its finding when a different rate is necessary to protect the interests of the Corporation.

(3) The Chief Executive Officer may extend the 30-day period for payment without interest when he or she determines that such action is in the best interest of the Corporation. A decision to extend or not to extend the payment period is final and is not subject to further review.

(b) *Penalty.* The Corporation will assess a penalty charge of 6 percent a year on any portion of a debt that is delinquent for more than 90 days.

(c) *Administrative costs.* The Corporation will assess charges to cover administrative costs incurred as a result of your failure to pay a debt before it becomes delinquent. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Corporation.

(d) *Allocation of payments.* A partial or installment payment by a debtor will be applied first to outstanding penalty assessments, second to administrative costs, third to accrued interest, and fourth to the outstanding debt principal.

(e) *Additional authority.* The Corporation may assess interest, penalty charges, and administrative costs on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under common law or other applicable statutory authority.

(f) *Waiver.* (1) The Chief Executive Officer may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty charges, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Corporation.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, and unless otherwise stated in these regulations, where these charges have been collected before the waiver decision, they will not be refunded. The Chief Executive Officer's decision to waive or not waive collection of these charges is final and is not subject to further review.

**§ 2506.19 How can I resolve my debt through voluntary repayment?**

(a) In response to a notice of debt, you may propose to the Corporation that you be allowed to repay the debt through a voluntary repayment agreement in lieu of the Corporation taking other collection actions under this part.

(b) Your request to enter into a voluntary repayment agreement must:

- (1) Be in writing;
- (2) Admit the existence of the debt; and
- (3) Either propose payment of the debt (together with interest, penalty charges, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(c) The Corporation will collect debts in one lump sum whenever feasible. However, if you are unable to pay your debt in one lump sum, the Corporation
