§ 302.19 Bonding of employees.

The State plan shall provide that the following requirements and criteria to bond employees are in effect:

(a) *IV-D responsibility.* The IV-D agency will insure that every person, who has access to or control over funds collected under the child support enforcement program, is covered by a bond against loss resulting from employee dishonesty.

(b) *Scope.* The requirement in paragraph (a) of this section applies to every person who, as a regular part of his or her employment, receives, disburses, handles or has access to support collections, which includes:

(1) IV-D agency employees and employees of any other State or local agency to which IV-D functions have been delegated.

(2) Employees of a court or law enforcement official performing under a cooperative agreement with the IV-D agency.

(3) Employees of any private or governmental entity from which the IV-D agency purchases services.

45 CFR Ch. III (10-1-04 Edition)

(c) *Bond.* The bond will be for an amount which the State IV-D agency deems adequate to indemnify the State IV-D program for loss resulting from employee dishonesty.

(d) *Self-bonding System.* A State or political subdivision may comply with the requirement in paragraph (a) of this section:

(1) By means of a self-bonding system established under State law or,

(2) In the case of a political subdivision, by means of a self-bonding system approved by the State IV-D agency.

(e) *IV-D liability.* The requirements of this section do not reduce or limit the ultimate liability of the IV-D agency for losses of support collections from the State's IV-D program.

§ 302.20 Separation of cash handling and accounting functions.

The State plan shall provide that the following requirements and criteria to separate the cash handling and accounting functions are in effect.

(a) *IV-D responsibility.* The IV-D agency will maintain methods of administration designed to assure that persons responsible for handling cash receipts of support do not participate in accounting or operating functions which would permit them to conceal in the accounting records the misuse of support receipts. Such methods of administration shall follow generally recognized accounting standards.

(b) *Scope.* The requirement in paragraph (a) of this section applies to persons who participate in the collection, accounting or operating functions which include:

(1) IV-D agency employees and employees of any other State or local agency to which IV-D functions have been delegated.

(2) Employees of a court or law enforcement official performing under a cooperative agreement with the IV-D agency.

(3) Employees of any private or governmental entity from which the IV-D agency purchases services.

(c) *Exception.* The Regional Office may grant a waiver to sparsely populated geographical areas, where the requirements in paragraph (a) of this section would necessitate the hiring of unreasonable numbers of additional staff. The IV-D agency must document such administrative infeasibility and provide an alternative system of controls that reasonably insures that support collections will not be misused.

§ 302.31 Establishing paternity and securing support.

The State plan shall provide that:

(a) The IV-D agency will undertake:

(1) In the case of a child born out of wedlock with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to establish the paternity of such child; and

(2) In the case of any individual with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to secure support for a child or children from any person who is legally liable for such support, using State laws regarding intrastate and interstate establishment and enforcement of support obligations. Effective October 1, 1985, this includes securing support for a spouse or former spouse who is living with the child or children, but only if a support obligation has been established for that spouse and the child support obligation is being enforced under the title IV-D State plan.

(3) When assigned medical support payments are received and retained by a non-IV-A Medicaid recipient, the IV-D agency shall notify the Medicaid agency whenever it discovers that directly received medical support payments are being, or have been, retained.

(b) Upon receiving notice of a claim of good cause for failure to cooperate, the IV-D agency will suspend all activities to establish paternity or secure support until notified of a final determination by the appropriate agency.

(c) The IV-D agency will not undertake to establish paternity or secure support in any case for which it has received notice that there has been a finding of good cause unless there has been a determination that support enforcement may proceed without the participation of the caretaker or other relative. If there has been such a determination, the IV-D agency will undertake to establish paternity or secure support but may not involve the caretaker or other relative in such undertaking.
