### § 304.10 General administrative requirements.

As a condition for Federal financial participation, the provisions of part 74 of this title (with the exception of 45 CFR 74.23, Cost Sharing or Matching and 45 CFR 74.52, Financial Reporting) establishing uniform administrative requirements and cost principles shall apply to all grants made to States under this part.

[40 FR 27166, June 26, 1975, as amended at 61 FR 67241, Dec. 20, 1996]

### § 304.11 Effect of State rules.

Subject to the provisions and limitations of title IV-D of the Act and chapter III, Federal financial participation will be available in expenditures made under the State plan (including the administration thereof) in accordance with applicable State laws, rules, regulations, and standards governing expenditures by State and local child support enforcement agencies.

### § 304.12 Incentive payments.

(a) *Definitions.* For the purposes of this section:

*Non-title IV-A collections* means support collections, on behalf of individuals receiving services under this title, satisfying a support obligation which has not been assigned under section 408(a)(3) of the Act or section 471(a)(17) of the Act, including collections treated in accordance with paragraph (b)(4)(ii) of this section.

*Title IV-A collections* means support collections satisfying an assigned support obligation under section 408(a)(3) of the Act or section 471(a)(17) of the Act, including collections treated in accordance with paragraph (b)(4)(ii) of this section.

*Total IV-D administrative costs* means total IV-D administrative expenditures claimed by a State in a specified fiscal year adjusted in accordance with paragraphs (b)(4)(iii), (b)(4)(iv) and (b)(4)(v) of this section.

(b) *Incentive payments to States.* Effective October 1, 1985, the Office shall compute incentive payments for States

for a fiscal year in recognition of title IV-A collections and of non-title IV-A collections.

(1) A portion of a State's incentive payment shall be computed as a percentage of the State's title IV-A collections, and a portion of the incentive payment shall be computed as a percentage of its non-title IV-A collections. The percentages are determined separately for title IV-A and non-title IV-A portions of the incentive. The percentages are based on the ratio of the State's title IV-A collections to the State's total administrative costs and the State's non-title IV-A collections to the State's total administrative costs in accordance with the following schedule:

Ratio of collections to total IV-D administrative costs	Percent of collection paid as an incentive
Less than 1.4 .....	6.0
At least 1.4 .....	6.5
At least 1.6 .....	7.0
At least 1.8 .....	7.5
At least 2.0 .....	8.0
At least 2.2 .....	8.5
At least 2.4 .....	9.0
At least 2.6 .....	9.5
At least 2.8 .....	10.0

(2) The ratios of the State's title IV-A and non-title IV-A collections to total IV-D administrative costs will be truncated at one decimal place.

(3) The portion of the incentive payment paid to a State for a fiscal year in recognition of its non-title IV-A collections is limited to the percentage of the portion of the incentive payment paid for that fiscal year in recognition of its title IV-A collections, as follows:

- (i) 100 percent in fiscal years 1986 and 1987;
- (ii) 105 percent in fiscal year 1988;
- (iii) 110 percent in fiscal year 1989; and
- (iv) 115 percent in fiscal year 1990 and thereafter.

(4) In calculating the amount of incentive payments, the following conditions apply:

(i) Only those title IV-A and non-title IV-A collections distributed and expenditures claimed by the State in the fiscal year shall be used to determine the incentive payment payable for that fiscal year;

(ii) Support collected by one State on behalf of individuals receiving IV-D services in another State shall be treated as having been collected in full by each State;

(iii) Fees paid by individuals, recovered costs, and program income such as interest earned on collections shall be deducted from total IV-D administrative costs;

(iv) At the option of the State, laboratory costs incurred in determining paternity may be excluded from total IV-D administrative costs; and

(v) Effective January 1, 1990, amounts expended by the State in carrying out a special project under section 455(e) of the Act shall not be included in the State's total IV-D administrative costs.

(vi) Costs of demonstration projects for evaluating model procedures for reviewing child support awards under section 103(e) of Public Law 100-485 shall not be included in the State's total IV-D administrative costs.

(c) *Payment of incentives.* (1) The Office will estimate the total incentive payment that each State will receive for the upcoming fiscal year.

(2) Each State will include one-quarter of the estimated total payment in its quarterly collection report which will reduce the amount that would otherwise be paid to the Federal government to reimburse its share of assistance payments under §§ 302.51 and 302.52 of this chapter.

(3) Following the end of a fiscal year, the Office will calculate the actual incentive payment the State should have received based on the reports submitted for that fiscal year. If adjustments to the estimate made under paragraph (c)(1) of this section are necessary, the State's IV-A grant award will be reduced or increased because of over- or under-estimates for prior quarters and for other adjustments.

(4) For FY 1985, the Office will calculate a State's incentive payment based on title IV-A collections retained by the State and paid to the family under § 302.51(b)(1) of this chapter.

(5) For FY 1986 and 1987, a State will receive the higher of the amount due it under the incentive system and Federal matching rate in effect as of FY 1986 or

### § 304.15

80 percent of what it would have received under the incentive system and Federal matching rate in effect during FY 1985.

#### § 304.15 Cost allocation.

A State agency in support of its claims under title IV-D of the Social Security Act must have an approved cost allocation plan on file with the Department in accordance with the requirements contained in Subpart E of 45 CFR part 95. Subpart E also sets forth the effect on FFP if the requirements contained in that subpart are not met.

[47 FR 17509, Apr. 23, 1982]

#### § 304.20 Availability and rate of Federal financial participation.

(a) Federal financial participation at the applicable matching rate is available for:

(1) Necessary expenditures under the State title IV-D plan for the support enforcement services and activities specified in this section and §304.21 provided to individuals from whom an assignment of support rights as defined in §301.1 of this chapter has been obtained;

(2) Parent locator services for individuals eligible pursuant to §302.33 of this title;

(3) Paternity and support services under the State plan for individuals eligible pursuant to §302.33 of this chapter.

(b) Services and activities for which Federal financial participation will be available shall be those made pursuant to the approved title IV-D State plan which are determined by the Secretary to be necessary expenditures properly attributable to the Child Support Enforcement program, except any expenditure incurred in providing location services to individuals listed in §302.35(c)(4) of this title, including the following:

(1) The administration of the State Child Support Enforcement program, including but not limited to the following:

(i) The establishment and administration of the State plan;

### 45 CFR Ch. III (10-1-04 Edition)

(ii) Monitoring the progress of program development and operations and evaluating the quality, efficiency, effectiveness and scope of support enforcement services available in each political subdivision;

(iii) The establishment of all necessary agreements with other State and local agencies or private providers for the provision of services in support of support enforcement in accordance with the Procurement Standards found in 45 CFR 74.40 et seq. These agreements may include:

(A) Necessary administrative agreements for support services;

(B) Utilization of State and local information resources;

(C) Cooperation with courts and law enforcement officials, and Indian Tribes or Tribal organizations pursuant to §302.34 of this chapter;

(iv) Securing compliance with the requirements of the State plan in operations under any agreements;

(v) The development and maintenance of systems for fiscal and program records and reports required to be made to the Office based on these records;

(vi) The development of a cost allocation system pursuant to §304.15 of this chapter;

(vii) The financial control of the State plan including the administration of Federal grants pursuant to §301.15 of this chapter;

(viii) The establishment of agreements with agencies administering the State's title IV-A and IV-E plans in order to establish criteria for:

(A) Referral of cases to the IV-D agency;

(B) Reporting on a timely basis information necessary to the determination and redetermination of eligibility and amount of assistance payments;

(C) The procedures to be used to transfer collections from the IV-D agency to the IV-A or IV-E agency before or after the distribution described in §302.51 or §302.52, respectively, of this chapter.

(ix) The establishment of agreements with Medicaid agencies necessary to carry out required IV-D activities and to establish criteria for:

(A) Referring cases to the IV-D agency;
