share. The remaining amount of the repayment shall be in quarterly amounts not less than those for the 9th through 12th quarters.

(7) The amount of a retroactive claim to be paid a State will be offset against any amounts to be, or already being, repaid by the State in installments, under the same title of the Social Security Act. Under this provision the State may choose to:

(i) Suspend payments until the retroactive claim due the State has, in fact, been offset; or

(ii) Continue payments until the reduced amount of its debt (remaining after the offset), has been paid in full. This second option would result in a shorter payment period.

A retroactive claim for the purpose of this regulation is a claim applicable to any period ending 12 months or more prior to the beginning of the quarter in which the payment is to be made by the Service.

(a) The term *IV-D case* means a parent (mother, father, or putative father) who is now or eventually may be obligated under law for the support of a child or children receiving services under the title IV-D program. A parent is a separate IV-D case for each family with a dependent child or children that the parent may be obligated to support.
