

length of time, the posting of that tariff, including its reissues, may be discontinued at that station until such time as a request is made to have it reposted. It shall then be reposted within 20 days.

**§ 1312.13 Furnishing copies of tariff publications.**

(a) *Definitions. Subscriber*, as used in this section, means any person (other than carrier participants in a tariff) that is voluntarily furnished, or that requests that it be furnished, one or more copies of a particular tariff with or without subsequent amendments or reissues of that tariff.

(b) *Sending new publications to subscribers.* (1) The publishing carrier or agent shall send each newly-issued tariff, supplement, or loose-leaf page as requested to each subscriber by first class mail, or other means requested in writing by the subscriber.

(2) Newly-issued tariffs, supplements, or loose-leaf pages shall be sent to each subscriber not later than the time the copies for official filing are sent to the Board.

(3) Carriers or agents may, if acceptable to a subscriber, furnish only specific portions of original tariffs and amendments affecting those portions.

(c) *Certification.* The letter of transmittal accompanying the copies filed with the Board shall contain the following certification:

I certify that compliance with 49 CFR 1312.13 has been made.

(d) *Charges.* (1) If any charge is made, the charge for copies of tariff publications sent to subscribers shall be reasonable, and identical for the same publications.

(2) No charge may be made (even for the cost of sending the publication) for any publication that is invalidated by the Board.

(e) *Notice of invalidation.* If a publication is invalidated, the subscribers shall be notified.

(f) *Alternative subscription services.* The service described in this section must be available to any subscriber requesting it; however, the requirement to offer such service does not preclude the offering of different services to subscribers requesting those services.

**§ 1312.14 Powers of attorney and concurrences.**

(a) *Authorization.* Rates and services of a carrier must be filed in a tariff issued in that carrier's name unless they are filed:

(1) In an agent's tariff when the carrier has executed a power of attorney authorizing that individual or entity to serve as its tariff agent; or

(2) In a tariff of another carrier through issuance of a concurrence to the latter carrier authorizing the first carrier's participation in joint rates and through routes.

(b) *Disclosure of authorization.* If two or more carriers execute powers of attorney to the same agent, it is not necessary for those carriers to exchange concurrences to participate in joint rates in that agent's tariffs. Powers of attorney and concurrences are not to be filed with the Board, but shall be provided to any person on request.

**§ 1312.15 Change of carrier or agent.**

(a) *Change in carrier.* When a carrier's name is lawfully changed, or a fiduciary assumes possession and control of a carrier's property, all affected tariffs must be amended to reflect the change. The amendments required by this paragraph shall be filed promptly and, if possible, prior to their effective date, but in no case later than 60 days thereafter. Regardless of the date the tariff is actually filed, the effective date for an amendment required by this paragraph is the date the event occurs.

(b) *Change of agent.* When a new agent is appointed to take over an agency, or when an alternate agent assumes the duties of the principal agent, each of the superseded agent's effective tariffs shall immediately be amended to reflect the change, bearing an effective date the same as the date of the transfer. In the case of a new agent, this may only occur after one or more of the participating carriers issues a power of attorney to the new agent, and revokes the previous power of attorney. At the same time, all affected tariffs will be amended to reflect the new powers of attorney, and all carriers who have not issued them must be canceled from the tariff.
