(2) 49 U.S.C. Subtitle VII, as amended.

(b) At the request of TSA, each airport operator must provide evidence of compliance with this part and its airport security program, including copies of records.

(c) TSA may enter and be present within secured areas, AOA's, and SIDA's without access media or identification media issued or approved by an airport operator or aircraft operator, in order to inspect or test compliance, or perform other such duties as TSA may direct.

(d) At the request of TSA and upon the completion of SIDA training as required in a security program, each airport operator promptly must issue to TSA personnel access and identification media to provide TSA personnel with unescorted access to, and movement within, secured areas, AOA's, and SIDA's.
