The term *salvage value* means the probable sale price of an item, if offered for sale on the condition that it will be removed from the property at the buyer's expense, allowing a reasonable period of time to find a person buying with knowledge of the uses and purposes for which it is adaptable and capable of being used, including separate use of serviceable components and scrap when there is no reasonable prospect of sale except on that basis.

Small business. A business having not more than 500 employees working at the site being acquired or displaced by a program or project, which site is the location of economic activity. § 24.4

effect as such payment under this part. (See appendix A of this part, § 24.3.)

§ 24.4 Assurances, monitoring and corrective action.

(a) *Assurances*—(1) Before a Federal agency may approve any grant to, or contract, or agreement with, a State agency under which Federal financial assistance will be made available for a project which results in real property acquisition or displacement that is subject to the Uniform Act, the State agency must provide appropriate assurances that it will comply with the Uniform Act and this part. A displacing agency's assurances shall be in accordance with section 210 of the Uniform Act. An acquiring agency's assurances shall be in accordance with section 305 of the Uniform Act and must contain specific reference to any State law which the Agency believes provides an exception to section 301 or 302 of the Uniform Act. If, in the judgment of the Federal agency, Uniform Act compliance will be served, a State agency may provide these assurances at one time to cover all subsequent federally-assisted programs or projects. An Agency which both acquires real property and displaces persons may combine its section 210 and section 305 assurances in one document.

(2) If a Federal agency or State agency provides Federal financial assistance to a "person" causing displacement, such Federal or State agency is responsible for ensuring compliance with the requirements of this part, notwithstanding the person's contractual obligation to the grantee to comply.

(3) As an alternative to the assurance requirement described in paragraph (a)(1) of this section, a Federal agency may provide Federal financial assistance to a State agency after it has accepted a certification by such State agency in accordance with the requirements in subpart G of this part.

(b) *Monitoring and corrective action.* The Federal agency will monitor compliance with this part, and the State agency shall take whatever corrective action is necessary to comply with the Uniform Act and this part. The Federal agency may also apply sanctions in ac-

49 CFR Subtitle A (10-1-04 Edition)

cordance with applicable program regulations. (Also see § 24.603, subpart G.)

(c) *Prevention of fraud, waste, and mismanagement.* The Agency shall take appropriate measures to carry out this part in a manner that minimizes fraud, waste, and mismanagement.

§ 24.5 Manner of notices.

Each notice which the Agency is required to provide to a property owner or occupant under this part, except the notice described at § 24.102(b), shall be personally served or sent by certified or registered first-class mail, return receipt requested, and documented in Agency files. Each notice shall be written in plain, understandable language. Persons who are unable to read and understand the notice must be provided with appropriate translation and counseling. Each notice shall indicate the name and telephone number of a person who may be contacted for answers to questions or other needed help.

§ 24.6 Administration of jointly-funded projects.

Whenever two or more Federal agencies provide financial assistance to an Agency or Agencies, other than a Federal agency, to carry out functionally or geographically related activities which will result in the acquisition of property or the displacement of a person, the Federal agencies may by agreement designate one such agency as the cognizant Federal agency. In the unlikely event that agreement among the Agencies cannot be reached as to which agency shall be the cognizant Federal agency, then the lead agency shall designate one of such agencies to assume the cognizant role. At a minimum, the agreement shall set forth the federally assisted activities which are subject to its terms and cite any policies and procedures, in addition to this part, that are applicable to the activities under the agreement. Under the agreement, the cognizant Federal agency shall assure that the project is in compliance with the provisions of the Uniform Act and this part. All federally assisted activities under the agreement shall be deemed a project for the purposes of this part.
