

Incentive Funds means funds awarded to States achieving reductions in CMV involved fatal accidents, CMV fatal accident rate, or meeting specified CMV safety program performance criteria.

Large truck means a truck over 10,000 pounds gross vehicle weight rating including single unit trucks and truck tractors (FARS definition).

Motor carrier means a for-hire motor carrier or private motor carrier. The term includes a motor carrier's agents, officers, or representatives responsible for hiring, supervising, training, assigning, or dispatching a driver or concerned with the installation, inspection, and maintenance of motor vehicle equipment or accessories or both.

North American Standard Inspection means the methodology used by State CMV safety inspectors to conduct safety inspections of CMVs. This consists of various levels of inspection of the vehicle or driver or both. The inspection criteria are developed by the FMCSA in conjunction with the Commercial Vehicle Safety Alliance (CVSA), an association of States, Canadian Provinces, and Mexico whose members agree to adopt these standards for inspecting CMVs in their jurisdiction.

§ 350.107 What jurisdictions are eligible for MCSAP funding?

All of the States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, and the Virgin Islands are eligible to receive MCSAP grants directly from the FMCSA. For purposes of this subpart, all references to "State" or "States" include these jurisdictions.

§ 350.109 What are the national program elements?

The national program elements include the following five activities:

- (a) Driver/vehicle inspections.
- (b) Traffic enforcement.
- (c) Compliance reviews.
- (d) Public education and awareness.
- (e) Data collection.

§ 350.111 What constitutes "traffic enforcement" for the purpose of the MCSAP?

Traffic enforcement means enforcement activities of State or local officials, including stopping CMVs operating on highways, streets, or roads for violations of State or local motor vehicle or traffic laws (e.g., speeding, following too closely, reckless driving, improper lane change). To be eligible for funding through the grant, traffic enforcement must include an appropriate North American Standard Inspection of the CMV or driver or both prior to releasing the driver or CMV for resumption of operations.
