

wages and salaries of FMCSA employees. Base level direct labor costs are direct labor costs determined by the cost study in *Regulations Governing Fees For Service*, 1 I.C.C. 2d 60 (1984), or subsequent cost studies. The base period for measuring changes shall be April 1984 or the year of the last cost study.

(2) Operations overhead shall be developed each year on the basis of current relationships existing on a weighted basis, for indirect labor applicable to the first supervisory work centers directly associated with user fee activity. Actual updating of operations overhead will be accomplished by applying the current percentage factor to updated direct labor, including current governmental overhead costs.

(3)(i) Office general and administrative costs shall be developed each year on the basis of current levels costs, i.e., dividing actual office general and administrative costs for the current fiscal year by total office costs for the office directly associated with user fee activity. Actual updating of office general and administrative costs will be accomplished by applying the current percentage factor to updated direct labor, including current governmental overhead and current operations overhead costs.

(ii) FMCSA general and administrative costs shall be developed each year on the basis of current level costs; i.e., dividing actual FMCSA general and administrative costs for the current fiscal year by total agency expenses for the current fiscal year. Actual updating of FMCSA general and administrative costs will be accomplished by applying the current percentage factor to updated direct labor, including current governmental overhead, operations overhead and office general and administrative costs.

(4) Publication costs shall be adjusted on the basis of known changes in the costs applicable to publication of material in the FEDERAL REGISTER or FMCSA Register.

(This rounding procedure excludes copying, printing and search fees.)

(e) *Rounding of updated fees.* Updated fees shall be rounded in the following manner:

(1) Fees between \$1 and \$30 will be rounded to the nearest \$1;

(2) Fees between \$30 and \$100 will be rounded to the nearest \$10;

(3) Fees between \$100 and \$999 will be rounded to the nearest \$50; and

(4) Fees above \$1,000 will be rounded to the nearest \$100.

Subpart A—How To Apply for Operating Authority

§ 365.101 Applications governed by these rules.

These rules govern the handling of applications for operating authority of the following type:

- (a) Applications for certificates and permits to operate as a motor common or contract carrier of property or passengers.
 (b) Applications for permits to operate as a freight forwarder.
 (c) [Reserved]
 (d) Applications for licenses to operate as a broker of motor vehicle transportation.
 (e) Applications for certificates under 49 U.S.C. 13902(b)(3) to operate as a motor common carrier of passengers in intrastate commerce on a route over which applicant holds interstate authority as of November 19, 1982.
 (f) Applications for certificates under 49 U.S.C. 13902(b)(3) to operate as a motor common carrier of passengers in intrastate commerce on a route over which applicant has been granted or will be granted interstate authority after November 19, 1982.
 (g) Applications for temporary motor carrier authority.

(h) Applications for Mexico-domiciled motor carriers to operate in foreign commerce as common, contract or private motor carriers of property (including exempt items) between Mexico and all points in the United States. Under NAFTA Annex I, page I-U-20, a Mexico-domiciled motor carrier may not provide point-to-point transportation services, including express delivery services, within the United States for goods other than international cargo.
