§ 374.305 Ticketing and information.

(a) *Information service.* (1) During business hours at each terminal or station, information shall be provided as to schedules, tickets, fares, baggage, and other carrier services.

(2) Carrier agents and personnel who sell or offer to sell tickets, or who provide information concerning tickets and carrier services, shall be competent and adequately informed.

(b) *Telephone information service.* Every facility where tickets are sold shall provide telephonic information to the traveling public, including current bus schedules and fare information, when open for ticket sales.

(c) *Schedules.* Printed, regular-route schedules shall be provided to the traveling public at all facilities where tickets for such services are sold. Each schedule shall show the points along the carrier's route(s) where facilities

are located or where the bus trips originate or terminate, and each schedule shall indicate the arrival or departure time for each such point.

(d) *Ticket refunds.* Each carrier shall refund unused tickets upon request, consistent with its governing tariff, at each place where tickets are sold, within 30 days after the request.

(e) *Announcements.* No scheduled bus (except in commuter service) shall depart from a terminal or station until a public announcement of the departure and boarding point has been given. The announcement shall be given at least 5 minutes before the initial departure and before departures from points where the bus is scheduled to stop for more than 5 minutes.

§ 374.307 Baggage service.

(a) *Checking procedures.* (1) Carriers shall issue receipts, which may be in the form of preprinted tickets, for all checked services baggage.

(ii) If baggage checking service is provided at the side of the bus, passengers checking baggage at the baggage checking counter less than 30 minutes before the scheduled departure shall be notified that their baggage may not travel on the same schedule. Such baggage must then be placed on the next available bus to its destination. All baggage checked at the side of the bus during boarding, or at alternative locations provided for such purpose, shall be transported on the same schedule as the ticketed passenger.

(b) *Baggage security.* All checked baggage shall be placed in a secure or attended area prohibited to the public. Baggage being readied for loading shall not be left unattended.

(c) *Baggage liability.* (1) No carrier may totally exempt its liability for articles offered as checked baggage, unless those articles have been exempted by the Secretary. (Other liability is subject to subpart D of this part). A notice listing exempted articles shall be prominently posted at every location

where baggage is accepted for checking.

(2) Carriers may refuse to accept as checked baggage and, if unknowingly accepted, may disclaim liability for loss or damage to the following articles:

(i) Articles whose transportation as checked baggage is prohibited by law or regulation;

(ii) Fragile or perishable articles, articles whose dimensions exceed the size limitations in the carrier's tariff, receptacles with articles attached or protruding, guns, and materials that have a disagreeable odor;

(iii) Money; and

(iv) Those other articles that the Secretary exempts upon petition by the carrier.

(3) Carriers need not offer excess value coverage on articles of extraordinary value (including, but not limited to, negotiable instruments, papers, manuscripts, irreplaceable publications, documents, jewelry, and watches).

(d) *Express shipments.* Passengers and their baggage always take precedence over express shipments.

(e) *Baggage at destination.* All checked baggage shall be made available to the passenger within a reasonable time, not to exceed 30 minutes, after arrival at the passenger's destination. If not, the carrier shall deliver the baggage to the passenger's local address at the carrier's expense.

(f) *Lost or delayed baggage.* (1) Checked baggage that cannot be located within 1 hour after the arrival of the bus upon which it was supposed to be transported shall be designated as lost. The carrier shall notify the passenger at that time and furnish him with an appropriate tracing form.

(2) Every carrier shall make available at each ticket window and baggage counter a single form suitable both for tracing and for filing claims for lost or misplaced baggage. The form shall be prepared in duplicate and signed by the passenger and carrier representative. The carrier or its agent shall receive the signed original, with any necessary documentation and additional information, and the claim check, for which a receipt shall be
