

§ 390.25

49 CFR Ch. III (10–1–04 Edition)

regulations by the FMCSA Field Administrator, whichever is less.

(3) *Tow trucks responding to emergencies.* (i) The exemption provided by paragraph (a)(3) of this section is effective only when a request has been made by a Federal, State or local police officer for tow trucks to move wrecked or disabled motor vehicles.

(ii) This exemption shall not exceed the length of the motor carrier's or driver's direct assistance in providing emergency relief, or 24 hours from the time of the initial request for assistance by the Federal, State or local police officer, whichever is less.

(b) Upon termination of direct assistance to the regional or local emergency relief effort, the motor carrier or driver is subject to the requirements of parts 390 through 399 of this chapter, with the following exception: A driver may return empty to the motor carrier's terminal or the driver's normal work reporting location without complying with parts 390 through 399 of this chapter. However, a driver who informs the motor carrier that he or she needs immediate rest must be permitted at least 10 consecutive hours off duty before the driver is required to return to such terminal or location. Having returned to the terminal or other location, the driver must be relieved of all duty and responsibilities. Direct assistance terminates when a driver or commercial motor vehicle is used in interstate commerce to transport cargo not destined for the emergency relief effort, or when the motor carrier dispatches such driver or commercial motor vehicle to another location to begin operations in commerce.

(c) When the driver has been relieved of all duty and responsibilities upon termination of direct assistance to a regional or local emergency relief effort, no motor carrier shall permit or require any driver used by it to drive nor shall any such driver drive in commerce until:

(1) The driver has met the requirements of §§ 395.3(a) and 395.5(a) of this chapter; and

(2) The driver has had at least 34 consecutive hours off-duty when:

(i) The driver has been on duty for more than 60 hours in any 7 consecutive days at the time the driver is relieved of all duty if the employing motor carrier does not operate every day in the week, or

(ii) The driver has been on duty for more than 70 hours in any 8 consecutive days at the time the driver is relieved of all duty if the employing motor carrier operates every day in the week.

§ 390.25 Extension of relief from regulations—emergencies.

The FMCSA Field Administrator may extend the 30-day time period of the exemption contained in § 390.23(a)(1), but not the 5-day time period contained in § 390.23(a)(2) or the 24-hour period contained in § 390.23(a)(3). Any motor carrier or driver seeking to extend the 30-day limit shall obtain approval from the FMCSA Field Administrator in the region in which the motor carrier's principal place of business is located before the expiration of the 30-day period. The motor carrier or driver shall give full details of the additional relief requested. The FMCSA Field Administrator shall determine if such relief is necessary taking into account both the severity of the ongoing emergency and the nature of the relief services to be provided by the carrier or driver. If the FMCSA Field Administrator approves an extension of the exemption, he or she shall establish a new time limit and place on the motor carrier or driver any other restrictions deemed necessary.
