

## § 19.6-2

(b) An order by a court that does not meet the definition of “court” in §19.2(f) is not valid for purposes of this section even though a divorce decree issued by such court may be a basis for pro rata share payments to a former spouse as described in these regulations.

### § 19.6-2 Qualifying court order.

(a) To be valid for purposes of this section, a court order must be found to be “qualified” by PER/ER/RET acting for the Secretary of State. A qualifying court order must—

(1) Be consistent with the terms of the Act and applicable regulations;

(2) Not direct payment of an amount in excess of the maximum amount authorized to be paid by the relevant regulation;

(3) Direct that payments be made to an eligible beneficiary from a principal’s Foreign Service retirement benefit or survivor benefit. If a court directs or implies that a principal, rather than the Secretary of State or the Government, make the payments, the order will not be considered qualified unless the principal does not object during the 30-day notice period provided under §19.6-6;

(4) Define the amount to be paid to a beneficiary in way so that it can be readily calculated from information in the normal files of the Department;

(5) Not make payment contingent upon events other than those on which other payments from the Fund are based such as age, marital status and school attendance; and

(6) Not be in conflict with any previously issued court order which remains valid.

(b) No apportionment of annuity to a beneficiary under §19.6-1(a) (1) or (6) shall exceed the net annuity of the principal. The net annuity is computed by excluding from the gross annuity the amounts which are:

(1) Owed by the individual to the United States;

(2) Deducted for health benefits premiums pursuant to section 8906 of Title 5, United States Code;

(3) Deducted for life insurance premiums under the Government Life Insurance Program;

## 22 CFR Ch. I (4-1-05 Edition)

(4) Owed due to overpayment of annuity;

(5) Properly withheld for Federal income tax purposes, if amounts withheld are not greater than they would be if the individual claimed all dependents to which he/she was entitled.

### § 19.6-3 Application for payment.

(a) To receive payment from the Fund pursuant to a court award, the beneficiary must submit an application in writing to the Chief of the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520. The application must be typed or printed, signed by the beneficiary, and include—

(1) The full name, date of birth, current address and current marital status of the beneficiary;

(2) Full name and date of birth of the participant or former participant and his/her date of birth or other identifying information;

(3) Relationship to the beneficiary, and if a spouse or former spouse, date of marriage to and/or divorce from the participant;

(4) A statement that the court order has not been amended, superseded, or set aside;

The original of the court order or a recently certified copy must be enclosed with the application, or a statement appended that such a copy has been sent to the Department by other means.

(b) When payments are subject to termination upon the occurrence of a condition subsequent, such as marriage, remarriage or termination of schooling, or death of the principal, no payment will be made until the beneficiary submits a statement to PER/ER/RET that—

(1) The condition has not occurred;

(2) He/she will notify the Department (PER/ER/RET) within 15 calendar days of the occurrence of the condition subsequent; and

(3) He/she will be personally liable for any overpayment to him/her resulting from the occurrence of the condition subsequent. PER/ER/RET may require periodic recertification of these statements.
