301.2 Requests for mandatory declassification review.

301.3 Action on requests for declassification review.

AUTHORITY: E.O. 12356, 43 FR 14874 dated April 2, 1982.

§301.1 Introduction.

The following regulations implement Executive Order 12356 and provide guidance for members of the public desiring a review for declassification of a document of the Peace Corps.

§301.2 Requests for mandatory declassification review.

(a) All information originally classified by the Peace Corps shall be subject to review for declassification.

(b) Requests for review of such information for declassification shall be in writing, addressed to the Peace Corps Director of Security, Peace Corps, Washington, DC 20526, and reasonably describe the information sought with sufficient specificity to enable its location with a reasonable amount of effort. Only requests made by a United States citizen or a permanent resident alien, a Federal agency or a State or local government will be considered.

(c) Requests relating to information, either derivatively classified by the Peace Corps or originally classified by another agency but in the possession of the Peace Corps, shall be forwarded, together with a copy of the record, to the originating agency. The transmittal may contain in Peace Corps recommendation for action.

§301.3 Action on requests for declassification review.

(a) The Director of Security shall present each request for declassification to the Peace Corps Classification Review Committee, which shall consist of the Associate Director for International Operations, the Associate Director for Management and the General Counsel, or their designees, together

with his or her recommendation for action.

(b) Every effort will be made to complete action on each request within 60 days of receipt thereof.

(c) Information shall be declassified or downgraded as soon as national security considerations permit. If the Classification Review Committee determines that the material for which review is requested no longer requires this protection, it shall be declassified and made available to the requester unless withholding is otherwise authorized by law.

(d) If the Peace Corps Classification Review Committee determines that requested information must remain classified, the requester shall be given prompt notice of the decision and, if possible, a brief explanation of why the information cannot be declassified.

(e) The Peace Corps may refuse to confirm or deny the existence or non-existence of requested information whenever the fact of its existence or non-existence is itself classified under E.O. 12356.

(f) A requester may appeal a refusal to declassify information to the Director of the Peace Corps, or the Director's designee. Appeals shall be in writing, addressed to the Director of the Peace Corps, Washington, DC 20526, and shall briefly state the reasons why the requester believes that the Peace Corps Classification Review Committee decision is in error. Appeals must be submitted within 30 days after receipt of notice of the Classification Review Committee decision. The decision of the Peace Corps Director, or designee, will be based on the entire record, and will be rendered in writing within 60 days after receipt of an appeal. The decision of the Director or Director's designee is the final Peace Corps action on a request.

§ 303.1 Purpose.

This part sets out the rules and procedures the Peace Corps follows in making records available to the public under the Freedom of Information Act (FOIA).

§ 303.2 Definitions.

As used in this part—

(a) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester has made a commercial use request, the Peace Corps will look to the use to which a requester will put the documents requested. When the Peace Corps has reasonable cause to doubt the requester's stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) *Duplication* means the process of making a copy of a record requested pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education

22 CFR Ch. III (4-1-05 Edition)

which operates a program or programs of scholarly research.

(d) *Non-commercial scientific institution* means an institution that is not operated on a "commercial" basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(e) *OIG records* means those records as defined generally in this section which originated with or are in the possession and control of the Office of Inspector General (OIG) of the Peace Corps which have been compiled for law enforcement, audit, and investigative functions and/or any other purpose authorized under the IG Act of 1978, as amended.

(f) *Records* means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Peace Corps in connection with the transaction of Peace Corps' business and preserved by the Peace Corps as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Peace Corps, or because of the informational value of data in them. The term does not include, *inter alia*, books, magazines, or other materials acquired solely for library purpose, or that are otherwise publicly available.

(g) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (*e.g.*, electronic dissemination of newspapers through telecommunications services), such alternative media would be included in
