

## Peace Corps

## § 309.40

- (i) That the debtor owes the debt;
- (ii) The amount and basis of the debt;
- (iii) That the agency has prescribed regulations for the exercise of administrative offset; and
- (iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review.

(2) A determination by the Peace Corps that collection by offset against funds payable by the Peace Corps would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such offset would not otherwise be contrary to law.

### § 309.38 Civil and Foreign Service Retirement Fund.

(a) Unless otherwise prohibited by law, Peace Corps may request that monies that are due and payable to a debtor from the Civil Service Retirement and Disability Fund, the Foreign Service Retirement Fund or any other Federal retirement fund be administratively offset in reasonable amounts in order to collect in one full payment or a minimal number of payments, debts owed the United States by the debtor. Such requests shall be made to the appropriate officials of the respective fund servicing agency in accordance with such regulations as may be prescribed by the Director of that agency. The requests for administrative offset will certify in writing the following:

- (1) The debtor owes the United States a debt and the amount of the debt;
- (2) The Peace Corps has complied with applicable regulations and procedures;
- (3) The Peace Corps has followed the requirements of the FCCS as described in this subpart.

(b) Once Peace Corps decides to request offset under paragraph (a) of this section, it will make the request as soon as practical after completion of the applicable procedures in order that the fund servicing agency may identify and flag the debtor's account in anticipation of the time when the debtor requests or becomes eligible to receive payments from the fund. This will satisfy any requirements that offset will

be initiated prior to expiration of the statute of limitations.

(c) If Peace Corps collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, Peace Corps shall act promptly to modify or terminate its request for offset.

(d) This section does not require or authorize the fund servicing agency to review the merits of Peace Corps' determination relative to the debt.

### § 309.39 Jeopardy procedure.

The Peace Corps may effect an administrative offset against a payment to be made to the debtor prior to the completion of the procedures required by § 309.32(c) of this subpart if failure to take the offset would substantially jeopardize the Peace Corps' ability to collect the debt, and the time available before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset shall be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Peace Corps shall be promptly refunded.

Such notice of intent may be separate correspondence or included in correspondence demanding direct payment.
