

process; and it must amend the applicable statement(s) or action plan(s) showing those amendments or deletions promptly upon determining that the float-funded activity will not generate sufficient or timely program income;

(ii) Obtain an irrevocable line of credit from a commercial lender for the full amount of the float-funded activity and describe the lender and terms of such line of credit in the action plan that identifies the float-funded activity. To qualify for this purpose, such line of credit must be unconditionally available to the recipient in the amount of any shortfall within 30 days of the date that the float-funded activity fails to generate the projected amount of program income on schedule;

(iii) Transfer general local government funds in the full amount of any default or shortfall to the CDBG line of credit within 30 days of the float-funded activity's failure to generate the projected amount of the program income on schedule; or

(iv) A method approved in writing by HUD for securing timely return of the amount of the float funding. Such method must ensure that funds are available to meet any default or shortfall within 30 days of the float-funded activity's failure to generate the projected amount of the program income on schedule.

(5) When preparing an action plan for a year in which program income is expected to be received from a float-funded activity, and such program income has been shown in a prior statement or action plan, the current action plan shall identify the expected income and explain that the planned use of the income has already been described in prior statements or action plans, and shall identify the statements or action plans in which such descriptions may be found.

§ 570.304 Making of grants.

(a) *Approval of grant.* HUD will approve a grant if the jurisdiction's submissions have been made and approved in accordance with 24 CFR part 91, and the certifications required therein are satisfactory to the Secretary. The certifications will be satisfactory to the Secretary for this purpose unless the Secretary has determined pursuant to subpart O of this part that the grantee has not complied with the requirements of this part, has failed to carry out its consolidated plan as provided under § 570.903, or has determined that there is evidence, not directly involving the grantee's past performance under this program, that tends to challenge in a substantial manner the grantee's certification of future performance. If the Secretary makes any such determination, however, further assurances may be required to be submitted by the grantee as the Secretary may deem warranted or necessary to find the grantee's certification satisfactory.

(b) *Grant agreement.* The grant will be made by means of a grant agreement executed by both HUD and the grantee.

(c) *Grant amount.* The Secretary will make a grant in the full entitlement amount, generally within the last 30 days of the grantee's current program year, unless:

(1) Either the consolidated plan is not received by August 16 of the federal fiscal year for which funds are appropriated or the consolidated plan is not approved under 24 CFR part 91, subpart F—in which case, the grantee will forfeit the entire entitlement amount; or

§ 570.307

(2) The grantee's performance does not meet the performance requirements or criteria prescribed in subpart O and the grant amount is reduced.

§ 570.307 Urban counties.

(a) *Determination of qualification.* The Secretary will determine the qualifications of counties to receive entitlements as urban counties upon receipt of qualification documentation from counties at such time, and in such manner and form as prescribed by HUD. The Secretary shall determine eligibility and applicable portions of each eligible county for purposes of fund allocation under section 106 of the Act on the basis of information available from the U.S. Bureau of the Census with respect to population and other pertinent demographic characteristics, and based on information provided by the county and its included units of general local government.

(b) *Qualification as an urban county.*
(1) A county will qualify as an urban county if such county meets the definition at § 570.3(3). As necessitated by this definition, the Secretary shall determine which counties have authority to carry out essential community development and housing assistance activities in their included units of general local government without the consent of the local governing body and which counties must execute cooperation agreements with such units to include them in the urban county for qualification and grant calculation purposes.

(2) At the time of urban county qualification, HUD may refuse to recognize the cooperation agreement of a unit of general local government in an urban county where, based on past performance and other available information, there is substantial evidence that such unit does not cooperate in the implementation of the essential community development or housing assistance activities or where legal impediments to such implementation exist, or where participation by a unit of general local government in noncompliance with the applicable law in subpart K would constitute noncompliance by the urban

county. In such a case, the unit of general local government will not be permitted to participate in the urban county, and its population or other needs characteristics will not be considered in the determination of whether the county qualifies as an urban county or in determining the amount of funds to which the urban county may be entitled. HUD will not take this action unless the unit of general local government and the county have been given an opportunity to challenge HUD's determination and to informally consult with HUD concerning the proposed action.

(c) *Essential activities.* For purposes of this section, the term "essential community development and housing assistance activities" means community renewal and lower income housing activities, specifically urban renewal and publicly assisted housing. In determining whether a county has the required powers, the Secretary will consider both its authority and, where applicable, the authority of its designated agency or agencies.

(d) *Period of qualification.* (1) The qualification by HUD of an urban county shall remain effective for three successive Federal fiscal years regardless of changes in its population during that period, except as provided under paragraph (f) of this section and except as provided under § 570.3(3) where the period of qualification shall be two successive Federal fiscal years.

(2) During the period of qualification, no included unit of general local government may withdraw from nor be removed from the urban county for HUD's grant computation purposes.

(3) If some portion of an urban county's unincorporated area becomes incorporated during the urban county qualification period, the newly incorporated unit of general local government shall not be excluded from the urban county nor shall it be eligible for a separate grant under subpart D, F, or I until the end of the urban county's current qualification period, unless the urban county fails to receive a grant for any year during that qualification period.
