*Housing and related facilities* means rental or cooperative housing structures constructed or substantially rehabilitated as permanent residences for use by elderly or handicapped families, or acquired with or without moderate rehabilitation for use by nonelderly handicapped families as group homes. The term includes structures suitable for use by families residing in the project or in the area, such as cafe-

terias or dining halls, community rooms, or buildings, or other essential service facilities. In the case of acquisition with or without moderate rehabilitation, at least three years must have elapsed from the later of the date of completion of the project or the beginning of occupancy to the date of the application for a Section 202 fund reservation. Except for intermediate care facilities for the mentally retarded and individuals with related conditions, this term does not include nursing homes, hospitals, intermediate care facilities, or transitional care facilities.

*Nonelderly handicapped family* means a handicapped family in which the head of the family (and spouse, if any) is less than 62 years of age at the time of the family's initial occupancy of a project.

*Section 8 Program* means the housing assistance payments program that implements section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f note).

#### § 891.510 Displacement, relocation, and real property acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of subpart E of this part, Sponsors and Borrowers shall assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under subpart E of this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201-4655), as implemented by 49 CFR part 24. A displaced person shall be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601-3619). If the comparable replacement dwellings are located in areas of minority concentration, minority persons also must be given, if possible, referrals to suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(c) *Real property acquisition requirements.* The acquisition of real property

for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Appeals.* A person who disagrees with the Sponsor's/Borrower's determination concerning whether the person qualifies as a "displaced person," or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the Sponsor/Borrower. A low-income person who is dissatisfied with the Sponsor's/Borrower's determination on his or her appeal may submit a written request for review of that determination to the HUD field office.

(e) *Responsibility of Sponsor/Borrower.* The Sponsor/Borrower shall certify that it will comply (i.e., provide assurance of compliance, as required by 49 CFR part 24) with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party's contractual obligation to comply with these provisions. The Sponsor/Borrower shall maintain records in sufficient detail to demonstrate compliance with the provisions of this section. The Sponsor/Borrower shall maintain data on the race, ethnic, gender, and handicap status of displaced persons.

(f) *Definition of a displaced person.* (1) For purposes of this section, the term *displaced person* means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. This includes any permanent, involuntary move for an assisted project including any permanent move from the real property that is made:

(i) After notice by the Sponsor/Borrower to move permanently from the property if the move occurs on or after:

(A) The date of the submission of an application to HUD that is later approved, if the Sponsor has control of an appropriate site; or

(B) The date that the Sponsor obtains control of an approvable site, if such control is obtained after the submission of an application to HUD:

(ii) Before the date described in paragraph (f)(1)(i) of this section, if the Sponsor, Borrower or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project;

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs;

(A) The tenant moves after execution of the Agreement between the Sponsor/Borrower and HUD, and the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant's monthly rent and estimated average monthly utility costs before the Agreement; or

(2) The total tenant payment, as determined under 24 CFR 813.107, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(B) The tenant is required to relocate temporarily, does not return to the building/complex, and either:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(2) Other conditions of the temporary relocation are not reasonable; or

(C) The tenant is required to move to another dwelling in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, however, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance at URA levels), if:

(i) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local law, or other good cause, and

HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance.

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., displacement, temporary relocation or a rent increase) and the fact that he or she will not qualify as a displaced person as a result of the project;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project;

(3) The Sponsor/Borrower may request, at any time, a HUD determination of whether a displacement is or would be covered by this section.

#### § 891.515 Audit requirements.

Nonprofits receiving assistance under this part are subject to the audit requirements in 24 CFR part 45.

#### SECTION 202 PROJECTS FOR THE ELDERLY OR HANDICAPPED—SECTION 8 ASSISTANCE

#### § 891.520 Definitions applicable to 202/8 projects.

The following definitions apply to projects for eligible families receiving assistance under section 8 of the United States Housing Act of 1937 in addition to reservations under section 202 of the Housing Act of 1959 (202/8 projects):

*Adjusted income* as defined in part 5, subpart F of subtitle A of this title.

*Assisted unit* means a dwelling unit eligible for assistance under a HAP contract.

*Contract rent* means the total amount of rent specified in the HAP contract as payable by HUD and the tenant to the Borrower for an assisted unit.

*Family (eligible family)* means an elderly or handicapped family that meets the project occupancy requirements approved by HUD and, if the family occupies an assisted unit, meets the requirements described in part 813 of this chapter.

*Gross rent* is defined in part 5, subpart F of subtitle A of this title.

*HAP contract (housing assistance payments contract)* means the contract entered into by the Borrower and HUD setting forth the rights and duties of the parties with respect to the project and the payments under the HAP contract.

*Housing assistance payment* means the payment made by HUD to the Borrower for assisted units as provided in the HAP contract. The payment is the difference between the contract rent and the tenant rent. An additional payment is made to a family occupying an assisted unit when the utility allowance is greater than the total tenant payment. A housing assistance payment, known as a “vacancy payment,” may be made to the Borrower when an assisted unit is vacant, in accordance with the terms of the HAP contract.

*Project account* means a specifically identified and segregated account for each project that is established in accordance with § 891.570(b) out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the HAP contract each year.

*Project occupancy requirements* means that eligible populations to be served under the Section 202 program are qualified individuals or families whose head of household or spouse is elderly, physically handicapped, developmentally disabled, or chronically mentally ill. Projects are designed to meet the special needs of the particular tenant population that the Borrower was selected to serve. Individuals from one eligible group may not be accepted for occupancy in a project designed for a different tenant group. However, a Sponsor can propose to house eligible tenant groups other than the one it was selected to serve, but must apply to the HUD field office for permission to do so, based on a plan that demonstrates that it can adequately serve the proposed tenant group. Upon review and recommendation by the field office, HUD Headquarters will approve or disapprove the request.

*Rent*, in the case of a unit in a cooperative project, means the carrying charges payable to the cooperative with respect to occupancy of the unit.
