

§91.330

(3) In the case of assistance involving essential services (including but not limited to employment, health, drug abuse, or education) or maintenance, operation, insurance, utilities and furnishings, it will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served;

(4) Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary;

(5) It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal, State, local, and private assistance available for such individuals;

(6) It will obtain matching amounts required under §576.71 of this title;

(7) It will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project except with the written authorization of the person responsible for the operation of that shelter;

(8) To the maximum extent practicable, it will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under this program, in providing services assisted under the program, and in providing services for occupants of facilities assisted under the program; and

(9) It is following a current HUD-approved consolidated plan.

(d) *HOME program.* Each State must provide the following certifications:

(1) If it plans to use program funds for tenant-based rental assistance, a certification that rental-based assistance is an essential element of its consolidated plan;

24 CFR Subtitle A (4-1-05 Edition)

(2) A certification that it is using and will use HOME funds for eligible activities and costs, as described in §§92.205 through 92.209 of this subtitle and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214 of this subtitle; and

(3) A certification that before committing funds to a project, the State or its recipients will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other federal assistance than is necessary to provide affordable housing.

(e) *Housing Opportunities for Persons With AIDS.* For States that seek funding under the Housing Opportunities for Persons With AIDS program, a certification is required by the State that:

(1) Activities funded under the program will meet urgent needs that are not being met by available public and private sources; and

(2) Any building or structure purchased, leased, rehabilitated, renovated, or converted with assistance under that program shall be operated for not less than 10 years specified in the plan, or for a period of not less than three years in cases involving non-substantial rehabilitation or repair of a building or structure.

(Approved by the Office of Management and Budget under control number 2506-0117)

§91.330 Monitoring.

The consolidated plan must describe the standards and procedures that the State will use to monitor activities carried out in furtherance of the plan and will use to ensure long-term compliance with requirements of the programs involved, including the comprehensive planning requirements.

(Approved by the Office of Management and Budget under control number 2506-0117)
