Grantees are not required to submit a housing strategy to receive HOME funds. However, the application must demonstrate how the proposed project(s) will contribute to a comprehensive approach for expanding the supply of affordable housing for members of the Indian tribe.

§ 954.104 Performance thresholds.

Applicants must have the administrative capacity to undertake the project proposed, including systems of internal control necessary to administer these projects effectively. The Area ONAP will determine whether or not a grantee is eligible to participate in a particular funding round. Examples of deficient performance may include unresolved serious audit findings and failure to initiate a previous grant.

§ 954.105 Criteria for selection.

There are four categories of projects that may be funded under the HOME Indian program: housing rehabilita-

(b) *Planning and implementation.* The degree to which the financial, administrative, and legal actions necessary to undertake the proposed project have been considered and addressed in the application, and the degree to which the grantee has the administrative staff to carry out the project successfully.

(c) *Leveraging.* The degree to which other sources of assistance, including mortgage insurance, State funds, other Federal grants, and private contributions, are used in conjunction with HOME funds to carry out the proposed project.
