assisted units once every other PHA fiscal year, unless the PHA:

(i) Elects to have its performance assessed on an annual basis; or

(ii) Is designated as troubled, in accordance with § 985.103.

(b) *Notification to PHA.* No later than 120 calendar days after the PHA's fiscal year end, HUD shall notify each PHA in writing of its rating on each SEMAP indicator, of its overall SEMAP score and of its overall performance rating (high performer, standard, troubled). The HUD notification letter shall identify and require correction of any SEMAP deficiencies (indicator rating of zero) within 45 calendar days from date of HUD notice.

(c) *On-site confirmatory review.* HUD may conduct an on-site confirmatory review to verify the PHA certification and the HUD rating under any indicator.

(d) *Changing rating from troubled.* HUD must conduct an on-site confirmatory review of an PHA's performance before changing any annual overall performance rating from troubled to standard or high performer.

(e) *Appeals.* HUD must review, consider and provide a final written determination to an PHA on its appeal of its overall performance rating.

(f) *Corrective action plans.* HUD must review the adequacy and monitor implementation of PHA corrective action plans submitted under § 985.106(c) or § 985.107(c) and provide technical assistance to help the PHA improve program management. If an PHA is assigned an overall performance rating of troubled, the PHA's corrective action plan must be approved in writing by HUD.

§ 985.106 Required actions for SEMAP deficiencies.

§ 985.107 Required actions for PHA with troubled performance rating.

(a) *On-site reviews.* (1) *Required reviews for troubled PHAs.* Except as provided in paragraph (a)(2) of this section, HUD will conduct an on-site review of PHA program management for any PHA assigned an overall performance rating of troubled to assess the magnitude and seriousness of the PHA's noncompliance with performance requirements.

(2) *On-site reviews for small PHAs.* Notwithstanding paragraph (a)(1) of this section, HUD may elect not to conduct an on-site review of a troubled PHA, if:

(i) The PHA has less than 250 assisted units; and

(ii) HUD determines that an on-site review is unnecessary to determine the needs of the PHA and the actions required to address the program deficiencies.

(b) *HUD written report.* HUD must provide the PHA a written report of its on-site review containing HUD findings of program management deficiencies, the apparent reasons for the deficiencies, and recommendations for improvement.

(c) *PHA corrective action plan.* Upon receipt of the HUD written report on its on-site review, the PHA must write a corrective action plan and submit it to HUD for approval. The corrective action plan must:

(1) Specify goals to be achieved;

(2) Identify obstacles to goal achievement and ways to eliminate or avoid them;

(3) Identify resources that will be used or sought to achieve goals;

(4) Identify an PHA staff person with lead responsibility for completing each goal;

(5) Identify key tasks to reach each goal;

(6) Specify time frames for achievement of each goal, including intermediate time frames to complete each key task; and

(7) Provide for regular evaluation of progress toward improvement.

(8) Be signed by the PHA board of commissioners chairperson and by the PHA executive director. If the PHA is a unit of local government or a state, the corrective action plan must be signed by the Section 8 program director and by the chief executive officer of the unit of government or his or her designee.

(d) *Monitoring.* The PHA and HUD must monitor the PHA's implementation of its corrective action plan to ensure performance targets are met.

(e) *Use of administrative fee reserve prohibited.* Any PHA assigned an overall performance rating of troubled may not use any part of the administrative fee reserve for other housing purposes (see 24 CFR 982.155(b)).

(f) *Upgrading poor performance rating.* HUD shall change an PHA's overall performance rating from troubled to standard or high performer if HUD determines that a change in the rating is warranted because of improved PHA performance and an improved SEMAP score.
