

to each of the said Irrigation Districts in the event of default in the payment of assessments, including penalties on account of delinquencies.

Subpart B—Charges Assessed Against Non-Indian Lands Not Included in an Irrigation District

§ 135.20 Private contract lands; assessments.

In addition to 4,751.5 acres of non-Indian land included within the two irrigation Districts dealt with in subpart A, there are 3,237.6 acres of land, more or less, in non-Indian ownership under private ditches, covered by repayment contracts executed pursuant to the act of June 28, 1946 (60 Stat. 333-338), obligating such owners to pay their proper share of such construction costs. The total per acre charge against all such lands is \$26.38. This amounts to an annual per acre rate of \$0.6595. For the purposes of this notice the annual per acre rate is hereby fixed at \$0.66. This annual rate of assessment will continue for a 40-year period within which the total amount of construction cost of \$210,726 is to be repaid without interest. The amount of each annual installment chargeable against the lands covered by each of the several contracts with individual landowners whose lands are served under private ditches, shall be determined by multiplying the total acreage, under each contract entitled to Willow Creek storage rights, either directly or by substitution, by the per acre annual rate. Against the amounts due annually by the individual landowners whose lands are served by private ditches, under this notice there shall be allowed any credits due under section 6 of the act of June 28, 1946. Credits due on behalf of any land shall be reflected in any statement submitted to the landowners.

§ 135.21 Time of payment.

The amount of each annual installment, payable under the private landowner contracts, determined as provided in this part shall be paid by the landowners to the United States, on or before November 15 of each year commencing with the calendar year 1951.

§ 135.22 Penalty.

To all assessments not paid on the due date there shall be added a penalty of one-half of one percent per month or fraction thereof, from the due date so long as the delinquency continues.

§ 135.23 Refusal of water delivery.

The right is reserved to refuse the delivery of water to any landowner in the event of default in the payment of assessments, including penalties on account of delinquencies.

PART 136—FORT HALL INDIAN IRRIGATION PROJECT, IDAHO

Sec.

136.1 Repayment contracts.

136.2 Construction costs.

136.3 Repayment of construction costs.

AUTHORITY: Sec. 9, 46 Stat. 1063.

SOURCE: 22 FR 10645, Dec. 24, 1957, unless otherwise noted. Redesignated at 47 FR 13327, Mar. 30, 1982.

§ 136.1 Repayment contracts.

A rehabilitation program was established on the Fort Hall Unit of the Fort Hall Project in 1936. Based upon the estimated construction costs, contracts were signed by all non-Indian landowners within the project, including such landowners within the Little Indian Unit, now a part of the Fort Hall Unit. Under the terms of their contracts, the landowners agreed to repay to the Government their pro rata share, on an acreage basis, of all expenditures for construction and other necessary improvements for carrying out the approved program, payments not to exceed \$7.50 per acre, based upon an estimated expenditure of \$450,000.00 for a project then considered as covering approximately 60,000 acres.

§ 136.2 Construction costs.

The program of rehabilitation has now been completed at a cost of \$419,186.52. This amount, chargeable on an equal per acre basis against 60,000 acres, amounts to a rate of \$6.986 per acre, which rate is hereby determined to be the per acre cost to be repaid to the United States under the 1936 contracts.
