§ 26.5 Selection of applicants.

(a) Applicants must be adult Indians residing on or near Indian reservations and demonstrate a need for employment services.

(b) An applicant must be unemployed or underemployed in order to receive employment services.

(c) Selection of applicants shall be made without regard to sex or marital status.

(d) Only those applicants who declare a desire and intent to accept and retain full time permanent employment at the employment location chosen shall be selected, with the exception of those individuals participating in the temporary summer placement program as provided in § 26.6(b)(1).

(e) Repeat employment services involving expenditure of grant funds are to be determined on an individual basis, considering ability, prior performance, need and motivation. No client shall automatically be entitled to funded repeat services. No more than two (2) funded repeat services for a client shall be allowed. Exceptions may be made if additional funded services not provided would create extreme hardship on the client. Applications are to be submitted with proper justification for repeat service to the Area Director for approval or disapproval.

§ 26.6 Program services and client participation.

(a) When a request is made for employment services, the applicant shall be offered assistance to assess his/her job skills and work experience and to relate these to available employment opportunities. In many cases, applicants for placement services will already possess training skills, and/or experience sufficient for entry into job placement. In other cases, applicants may be encouraged to consider further education or training options as a preliminary to permanent employment. In any case, vocational counseling appropriate to the individual situation shall be made available.

This special service will not count against the number of services allowed under § 26.5(e).

(2) Persons who have moved to an off-reservation area for permanent employment, through services of the Employment Assistance program, may at times be required to accept temporary employment until permanent employment is available. Such persons may receive funds as needed within established limitations and justifiable circumstances, as allowed by the Area Director, until permanent employment is found and/or the need is met.

(c) Permanent employment shall normally be defined as employment which is generally anticipated to be of one year or more in duration. Employment in the construction or other trades where moving from one job to another is generally required of persons engaged in such occupations shall be considered as permanent employment.

(d) In those cases where applicants apply and are selected for employment services in off-reservation urban locations, a variety of services may be provided, based upon individual client needs and requests for assistance. These may include advice in rental of housing, shopping, money management, community adjustment, counseling, applying for and seeking employment, and emergency financial assistance for up to six months from the date of entry into this program.
