

Bureau of Indian Affairs, Interior

§ 36.32

(c) Parent/teacher and parent/teacher/student conferences focused on the student's instructional progress and development shall be held, where feasible and practical, to provide an additional means of communication between home and school. Residential schools may meet this standard by documenting the communication of student grades on report cards to parents.

(d) Each school shall issue a report card to parents of students who are under the age of eighteen (18) and to students eighteen (18) years of age and older on a regular basis, but not less than four (4) times yearly. The report card shall include, but not be limited to, the following sections:

(1) Recommendations and probable promotion status;

(2) Appropriate signatures and request for return of report cards; and

(3) Student attendance record.

(e) A summary of each year's final card shall become part of the student's permanent school record.

§ 36.31 Standard XI—Student promotion requirements.

Each school shall establish and implement a promotion policy which shall be submitted to and approved by the local school board and Agency Superintendent for Education or Area Education Programs Administrator, as appropriate. The requirements shall include, but not be limited to, the following:

(a) Each grade level or equivalent shall have a minimum criteria for student promotion based primarily on measurable mastery of the instructional objectives.

(b) Criterion-referenced tests that evaluate student skills shall be utilized for measuring the mastery of instructional objectives. The evaluation results shall form the basis for the promotion of each student.

(c) A student who has not participated, either directly or through approved alternative instructional methods or programs, in a minimum of 160 instructional days per academic term or 80 instructional days per semester without a written excused absence shall not be promoted. A school board or a school committee may review a promotion decision and, if warranted

due to compelling and/or extenuating circumstances, rescind in writing such action on a case-by-case basis. Alternative instructional methods shall be submitted in writing for approval by the Agency Superintendent for Education or Area Education Programs Administrator, as appropriate.

§ 36.32 Standard XII—Graduation requirements for a high school diploma.

Graduation requirements contained under this section shall be applied beginning with the graduating class of the 1987-88 school year.

(a) Satisfactory completion of a minimum number of units shall be the measure for the issuance of a high school diploma.

(b) To graduate, a student shall earn 20 units in a four year high school program unless the state in which the school is located exceeds these requirements, in which case the state's requirements shall apply; fifteen (15) units shall be required as follows:

(1) Language arts—four (4) units.

(2) Mathematics—three (3) units.

(3) Social studies—three (3) units.

(i) One (1) unit in United States history;

(ii) One-half ($\frac{1}{2}$) unit in civics/government;

(iii) One-half ($\frac{1}{2}$) unit in tribal history/government;

(iv) One-half ($\frac{1}{2}$) unit in Indian studies; and

(v) One-half ($\frac{1}{2}$) unit in any other social studies;

(4) Science—two (2) units.

(i) One (1) unit in the general science area.

(ii) One (1) unit in laboratory science areas, i.e., chemistry, physics, biology, zoology, laboratory anatomy.

(5) Physical education—one (1) unit.

(6) Practical arts—one (1) unit. Credit in any vocational course may also be used to satisfy this required unit.

(7) Fine arts—one (1) unit. Music, art, dance, drama, theatre, and other fine arts courses may be used to satisfy this required unit. These are minimum requirements; local schools may establish academic or vocational requirements beyond those prescribed by these standards.

§ 36.40

(c) A school with an average enrollment of fewer than 75 students may offer subjects in alternate years. If schools use this pattern, alternating pairs of subjects shall be listed and approved by the Agency Superintendent for Education or Area Education Programs Administrator, as appropriate.

(d) Credits earned through approved correspondence or extension study may be accepted if such credits are from schools approved or accredited by the state in which they are located or by a college or university which is regionally accredited for such purposes.

(e) Students who successfully complete the requirements of the High School Proficiency Examination in the State in which the school is located shall receive an endorsement so stating on their diplomas.

Subpart E—Instructional Support

§ 36.40 Standard XIII—Library/media program.

(a) Each school shall provide a library/media program which shall, as a minimum, meet the applicable state and/or regional standards, but shall not be limited to these, and shall include the following:

(1) A written set of instructional and service objectives shall be established that is intergrated and consistent with the school's educational goals and philosophy. The librarian or educational media specialist, with students and staff, shall set objectives based on assessed academic and residential needs. The program and services will be evaluated yearly by the principal and the librarian or educational media specialist to determine the degree to which all objectives have been met.

(2) A written policy for the selection of materials and equipment shall be developed by a library committee in collaboration with the librarian and be approved by the school board. The collection of materials shall include as a minimum the following:

(i) A collection of books suitable for the range of student abilities and interests being served in the following ADM ratios.

(A) Elementary K-6, 15 books per student

(B) Middle 7-8, 12 books per student

25 CFR Ch. I (4-1-05 Edition)

(C) Secondary 9-12, 10 books per student

It is required that materials pertaining to Indian Tribes and/or Alaskan Natives be integrated within this basic collection.

(ii) Eight (8) to 12 percent of the basic collection must be composed of reference books, currently relevant and in a state of good physical condition, for practical use. Single copies of the principal textbooks used to complement instruction shall be in the collection, but textbooks cannot be counted toward this standard.

(iii) A periodical collection, suitable for the range of student abilities and interests being served, consisting of one (1) periodical for every ten (10) students, shall be maintained. Schools of over 200 will have a base collection of 20 periodicals.

(iv) A professional collection for the school staff shall be developed and maintained by the librarian in cooperation with a faculty committee.

(v) A variety of audio-visual materials, suitable for the range of instruction being provided, of at least 750 items or five (5) items for each student, whichever is larger, and inclusive of materials located in the classrooms shall be maintained. This category includes some of each of the following: Tactile objects, globes, models, maps, films, film-strips, microforms, slides, audio and video tapes, recordings, transparencies and graphics, and the equipment to use all of these. Multiple items within a specific set of materials will be counted as separate items.

(3) There shall be a library media center serviced by a librarian. Schools with fewer than 200 students are encouraged, wherever feasible, to cooperate in sharing librarian resources. Schools within an Agency and/or Area may cooperatively share the costs and services of a librarian who shall facilitate sharing of the combined available resources among the cooperating schools in accordance with the following ratios:

School Enrollment (ADM)

Up to 100— $\frac{1}{5}$ time librarian

101-200— $\frac{1}{5}$ time librarian and $\frac{1}{2}$ time library aide or 20 hours of library activity
