

## § 83.6

## 25 CFR Ch. I (4-1-05 Edition)

the actual research on behalf of the petitioner.

(d) Any notice which by the terms of these regulations must be published in the FEDERAL REGISTER, shall also be mailed to the petitioner, the governor of the state where the group is located, and to other interested parties.

(e) After an Indian group has filed a letter of intent requesting Federal acknowledgment as an Indian tribe and until that group has actually submitted a documented petition, the Assistant Secretary may contact the group periodically and request clarification, in writing, of its intent to continue with the petitioning process.

(f) All petitioners under active consideration shall be notified, by April 16, 1994, of the opportunity under § 83.3(g) to choose whether to complete their petitioning process under the provisions of these revised regulations or the previous regulations as published, on September 5, 1978, at 43 FR 39361.

(g) All other groups that have submitted documented petitions or letters of intent shall be notified of and provided with a copy of these regulations by July 25, 1994.

### **§ 83.6 General provisions for the documented petition.**

(a) The documented petition may be in any readable form that contains detailed, specific evidence in support of a request to the Secretary to acknowledge tribal existence.

(b) The documented petition must include a certification, signed and dated by members of the group's governing body, stating that it is the group's official documented petition.

(c) A petitioner must satisfy all of the criteria in paragraphs (a) through (g) of § 83.7 in order for tribal existence to be acknowledged. Therefore, the documented petition must include thorough explanations and supporting documentation in response to all of the criteria. The definitions in § 83.1 are an integral part of the regulations, and the criteria should be read carefully together with these definitions.

(d) A petitioner may be denied acknowledgment if the evidence available demonstrates that it does not meet one or more criteria. A petitioner may also be denied if there is insufficient evi-

dence that it meets one or more of the criteria. A criterion shall be considered met if the available evidence establishes a reasonable likelihood of the validity of the facts relating to that criterion. Conclusive proof of the facts relating to a criterion shall not be required in order for the criterion to be considered met.

(e) Evaluation of petitions shall take into account historical situations and time periods for which evidence is demonstrably limited or not available. The limitations inherent in demonstrating the historical existence of community and political influence or authority shall also be taken into account. Existence of community and political influence or authority shall be demonstrated on a substantially continuous basis, but this demonstration does not require meeting these criteria at every point in time. Fluctuations in tribal activity during various years shall not in themselves be a cause for denial of acknowledgment under these criteria.

(f) The criteria in § 83.7 (a) through (g) shall be interpreted as applying to tribes or groups that have historically combined and functioned as a single autonomous political entity.

(g) The specific forms of evidence stated in the criteria in § 83.7 (a) through (c) and § 83.7(e) are not mandatory requirements. The criteria may be met alternatively by any suitable evidence that demonstrates that the petitioner meets the requirements of the criterion statement and related definitions.

### **§ 83.7 Mandatory criteria for Federal acknowledgment.**

The mandatory criteria are:

(a) The petitioner has been identified as an American Indian entity on a substantially continuous basis since 1900. Evidence that the group's character as an Indian entity has from time to time been denied shall not be considered to be conclusive evidence that this criterion has not been met. Evidence to be relied upon in determining a group's Indian identity may include one or a combination of the following, as well as other evidence of identification by other than the petitioner itself or its members.
