25 CFR Ch. I (4-1-05 Edition)

date of the Act for which there has been no enabling legislation.

§ 87.3 Time limits.

(a) The Secretary shall cause to begin as early as possible the necessary research to determine the identity of the ultimate or present day beneficiaries of judgments. Such research shall be done under the direction of the Commissioner of Indian Affairs. The affected tribes or groups shall be encouraged to submit pertinent data. All pertinent data, including cultural, political and historical material, and records, including membership, census and other rolls shall be considered. If more than one entity is determined to be eligible to participate in the use or distribution of the funds, the results of the research shall include a proposed formula for the division or apportionment of the judgment funds among or between the involved entities.

(b) The results of all research shall be provided to the governing bodies of all affected tribes and groups. The Area Director shall assist the affected tribe or group in arranging for preliminary sessions or meetings of the tribal governing body, or public meetings. The Area Director shall make a presentation of the results of the research and shall arrange for expertise of the Bureau of Indian Affairs to be available at these meetings to assist the tribe or group in developing a use or distribution proposal, bearing in mind that under the Act not less than twenty (20) per centum of the judgment funds, including investment income thereon, is to be used for tribal programs unless the Secretary determines that the particular circumstances of the affected Indian tribe clearly warrant otherwise.

(b) The hearing shall be held after appropriate public notice beginning at least twenty (20) days prior to the date

of such hearing, and after consultation with the governing body of the tribe or group regarding the date and location of the hearing, to obtain the testimony of members of the governing body and other representatives, spokesmen or members of the tribe or group on the proposal(s).

(c) All testimony at the hearing shall be transcribed and a transcript thereof shall be furnished to the Commissioner and the tribal governing body immediately subsequent to the hearing. Particular care shall be taken to insure that minority views are given full opportunity for expression either during the hearing or in the form of written communications by the date of the hearing.

(d) Whenever two or more tribes or groups are involved in the use or distribution of the judgment funds, including situations in which two or more Area Offices are concerned, every effort shall be made by the Area Director or Directors to arrange for a single hearing to be conducted at a time and location as convenient to the involved tribes and groups as possible. Should the tribes and groups not reach agreement on such time or place, or on the number of entities to be represented at the hearing, the Commissioner, after considering the views of the affected tribes and groups, shall within twenty (20) days of receipt of such advice by the Area Director, designate a location and date for such hearing and invite the participation of all entities he considers to be involved and the Commissioner's decision shall be final.

The one hundred and eighty (180) day period shall begin on the date of the Act with respect to all judgments for which funds have been appropriated and for which enabling legislation has not been enacted.

§ 87.6 Extension of period for submitting plans.
