

Person. An individual, a trust, estate, partnership, association, company, or corporation.

Still. Any apparatus capable of being used for separating alcoholic or spirituous vapors, or spirituous solutions, or spirits, from spirituous solutions or mixtures, but shall not include stills used for laboratory purposes or stills used for distilling water or other non-alcoholic materials where the cubic distilling capacity is one gallon or less.

This chapter. Title 27, Code of Federal Regulations, Chapter I (27 CFR Chapter I).

United States. The several states and the District of Columbia.

U.S.C. The United States Code.

[T.D. ATF-207, 50 FR 23682, June 5, 1985; 50 FR 28572, July 15, 1985, as amended by T.D. ATF-439, 66 FR 8770, Feb. 2, 2001]

§ 29.47 Notice requirement; manufacture of stills.

(a) *General.* When required by letter issued by the appropriate ATF officer and until notified to the contrary by the appropriate ATF officer, every person who manufactures any still, boiler (double or pot still), condenser, or other apparatus to be used for the purpose of distilling shall give written notice before the still or distilling apparatus is removed from the place of manufacture.

(b) *Preparation.* The notice will be prepared in letter form, executed under the penalties of perjury, and show the following information:

(1) The name and address of the manufacturer;

(2) The name and complete address of the person by whom the apparatus is to be used, and of any other person for, by, or through whom the apparatus is ordered or disposed of;

(3) The distilling purpose for which the apparatus is to be used (distillation of spirits, redistillation of spirits or recovery of spirits, including denatured spirits and articles containing spirits or denatured spirits);

(4) The manufacturer's serial number of the apparatus;

(5) The type and kind of apparatus;

(6) The distilling capacity of the apparatus; and

(7) The date the apparatus is to be removed from the place of manufacture.

(c) *Filing.* The notice will be filed in accordance with the instructions in the letter of the appropriate ATF officer. A copy of the notice will be retained at the place of manufacture as provided by § 29.59.

§ 29.49 Notice requirement; setup of still.

(a) *General.* When required by letter issued by the appropriate ATF officer, no still, boiler (double or pot still), condenser, or other distilling apparatus may be set up without the manufacturer of the still or distilling apparatus first giving written notice of that purpose.

(b) *Preparation.* The notice will be prepared by the manufacturer in letter form, executed under the penalties of perjury, and will contain the information specified in the letter of the appropriate ATF officer.

(c) *Filing.* The notice will be filed in accordance with the instructions in the letter of the appropriate ATF officer. A copy of the notice will be retained at the manufacturer's place of business as provided by § 29.59.

§ 29.51 Failure to give notice; penalty.

Failure to give notice of manufacture of still or notice of setup of still when required to do so is punishable by a fine of not more than \$1,000 or imprisonment for not more than one year, or both, and any still, boiler (double or pot still), condenser, or other distilling apparatus to be used for the purpose of distilling which is removed or set up without the required notice having

§ 29.53 Identification of distilling apparatus.

(a) *General.* Each still or condenser manufactured will be identified by the manufacturer as follows:

(1) Name of manufacturer.

(2) Address of manufacturer.

(3) Manufacturer's serial number for the apparatus.

(b) *Marking requirements.* The apparatus will be identified in a legible and durable manner. The required identification marks will be placed on the apparatus in a location where they will not be obscured or concealed.

§ 29.55 Registry of stills and distilling apparatus.

(a) *General.* Every person having possession, custody, or control of any still or distilling apparatus set up shall, immediately on its being set up, register the still or distilling apparatus, except that a still or distilling apparatus not used or intended for use in the distillation, redistillation, or recovery of distilled spirits is not required to be registered. Registration may be accomplished by describing the still or distilling apparatus on the registration or permit application prescribed in this chapter for qualification under 26 U.S.C. chapter 51 or, if qualification is not required under 26 U.S.C. chapter 51, on a letter application, and filing the application with the appropriate ATF officer. Approval of the application by the appropriate ATF officer will constitute registration of the still or distilling apparatus.

(b) *When still is set up.* A still will be regarded as set up and subject to registry when it is in position over a furnace, or connected with a boiler so that heat may be applied, irrespective of whether a condenser is in position. This rule is intended merely as an illustration and should not be construed as covering all types of stills or condensers requiring registration.

(c) *Change in location or ownership.* Where any distilling apparatus registered under this section is to be re-

moved to another location, sold or otherwise disposed of, the registrant shall, prior to the removal or disposition, file a letter notice with the appropriate ATF officer. The letter notice will show the intended method of disposition (sale, destruction, or otherwise), the name and complete address of the person to whom disposition will be made, and the purpose for which the apparatus will be used. After removal, sale, or other disposal, the person having possession, custody, or control of any distilling apparatus intended for use in distilling shall immediately register the still or distilling apparatus on its being set up or, if already set up, immediately on obtaining possession, custody, or control. The registrant shall also comply with the procedures prescribed in this chapter for amendment of the registration or permit application.

§ 29.59 Records.

A copy of each notice of manufacture, or set up, of still required under the provisions of § 29.47, or 29.49, shall be maintained, in chronological order, by the manufacturer at the premises where the still or distilling apparatus is manufactured. In addition, each manufacturer or vendor of stills shall maintain at their premises a record showing all stills and distilling apparatus (including those to be used for
