§ 45.42 Mark.

Every package of tobacco products shall before removal from the factory under this part, have adequately imprinted thereon, or on a label securely affixed thereto, a mark as specified in this section. The mark may consist of the name of the manufacturer removing the product and the location (by city and State) of the factory from which the products are to be so removed, or may consist of the permit number of the factory from which the products are to be so removed. (Any trade name of the manufacturer approved as provided in §40.65 of this chapter may be used in the mark as the name of the manufacturer.) As an alternative, where tobacco products are both packaged and removed by the same manufacturer, either at the same or different factories, the mark may consist of the name of such manufacturer if the factory where packaged is identified on or in the package by a means approved by the appropriate ATF officer. Before using the alternative, the manufacturer shall notify the appropriate ATF officer in writing of the name to be used as the name of the manufacturer and the means to be used for identifying the factory where packaged. If approved by him the appropriate ATF officer shall return approved copies of the notice to the manufacturer. A copy of the approved notice shall be retained as part of the factory records at each of the factories operated by the manufacturer.

Subpart F—Records

§ 45.51 Supporting records.

(a) *Records of removals.* Every manufacturer who removes tobacco products, and cigarette papers and tubes under this part must, in addition to the records kept under part 40 of this chapter, keep a supporting record of such removals and must make appropriate entries therein at the time of removal. The supporting record for each removal must show:

(1) The date of removal;

(2) The name and address of the Federal agency to which shipped or delivered;

(3) The kind and quantity and,

(4) for large cigars, the sale price.

(b) *Records of returns.* If any tobacco products, or cigarette papers or tubes removed under this part are returned to the factory, such returns must be noted in the supporting record.

(c) *Commercial records.* Where the manufacturer keeps, at the factory, copies of invoices or other commercial records containing the information required as to each removal, in such manner that the information may be readily ascertained therefrom, such copies will be considered the supporting record required by this section.

(d) *Retention period.* The manufacturer must retain the supporting record for 3 years following the close of the year covered therein. The record must be made available for inspection
