

§ 820.24

proceeding with a Consent Order. A Consent Order must be signed by the Director and the person who is its subject, or a duly authorized representative, must indicate agreement to the terms contained therein and must be filed. A Consent Order need not constitute an admission by any person that the Act or a DOE Nuclear Safety Requirement has been violated, nor need it constitute a finding by the DOE that such person has violated the Act or a DOE Nuclear Safety Requirement. A Consent Order shall, however, set forth the relevant facts which form the basis for the Order and what remedy, if any, is imposed.

(c) *Effect on enforcement adjudication.* If a Consent Order is signed after the commencement of an enforcement adjudication, the adjudication of the issues subject to the Consent Order shall be stayed until the completion of the Secretarial Review Process. If the Consent Order becomes a Final Order, the adjudication shall be terminated or modified as specified in the Order.

(d) *Secretarial review.* A Consent Order shall become a Final Order 30 days after it is filed unless the Secretary files a rejection of the Consent Order or a Modified Consent Order. A Modified Consent Order shall become a Final Order if the Director and the person who is its subject sign it within 15 days of its filing.

§ 820.24 Preliminary notice of violation.

(a) If the Director has reason to believe a person has violated or is continuing to violate a provision of the Act or a DOE Nuclear Safety Requirement, he may file a Preliminary Notice of Violation. The Notice and any transmittal documents shall contain sufficient information to fairly apprise the respondent of the facts and circumstances of the alleged violations and the basis of any proposed remedy, and to properly indicate what further actions are necessary by or available to respondent.

(b) Within 30 days after the filing of a Preliminary Notice of Violation, the respondent shall file a reply.

(c) The reply shall be in writing and signed by the person filing it. The reply shall contain a statement of all rel-

evant facts pertaining to the situation that is the subject of the Notice. The reply shall state any facts, explanations and arguments which support a denial that a violation has occurred as alleged; demonstrate any extenuating circumstances or other reason why the proposed remedy should not be imposed or should be mitigated; and furnish full and complete answers to the questions set forth in the Notice. Copies of all relevant documents shall be submitted with the reply. The reply shall include a discussion of the relevant authorities which support the position asserted, including rulings, regulations, interpretations, and previous decisions issued by DOE.

(d) The respondent may terminate an enforcement action if the reply agrees to comply with the proposed remedy and waives any right to contest the Notice or the remedy. If a respondent elects this option, the Preliminary Notice of Violation shall be deemed a Final Order upon the filing of the reply.

§ 820.25 Final notice of violation.

(a) *General rule.* If, after reviewing the reply submitted by the respondent, the Director determines that a person violated or is continuing to violate a provision of the Act or a DOE Nuclear Safety Requirement, he may file a Final Notice of Violation. The Final Notice shall concisely state the determined violation, any designated penalty, and further actions necessary by or available to respondent.

(b) *Effect of final notice.* (1) If a Final Notice of Violation does not contain a civil penalty, it shall be deemed filed as a Final Order 15 days after the Final Notice is filed unless the Secretary files a Final Order which modifies the Final Notice.

(2) If a Final Notice of Violation contains a civil penalty, the respondent must file within 30 days after the filing of the Final Notice:

(i) A waiver of further proceedings;

(ii) A request for an on-the-record adjudication; or

(iii) A notice of intent to seek judicial review.

(c) *Effect of waiver.* If a respondent waives further proceedings, the Final Notice of Violation shall be deemed a

Final Order enforceable against the respondent. The respondent must pay any civil penalty set forth in the Notice of Violation within 60 days of the filing of waiver unless the Director grants additional time.

(d) *Effect of request.* If a respondent files a request for an on-the-record adjudication, then an enforcement adjudication commences.

(e) *Effect of notice of intent.* If a respondent files a Notice of Intent, the Final Notice of Violation shall be deemed a Final Order enforceable against the respondent.

(f) *Amendment.* The Director may amend the Final Notice of Violation at any time before an action takes place pursuant to paragraph (b) of this section. An amendment shall add fifteen days to the time periods under paragraph (b) of this section.

(g) *Withdrawal.* The Director may withdraw the Final Notice of Violation, or any part thereof, at any time before an action under paragraph (b) of this section.

§ 820.26 Enforcement adjudication.

If a respondent files a request for an on-the-record adjudication, an enforcement adjudication is initiated and the Docketing Clerk shall notify the Secretary who shall appoint an Administrative Law Judge to be the Presiding Officer.

§ 820.27 Answer.

(a) *General.* If a respondent files a request for an on-the-record adjudication pursuant to § 820.25, a written answer to the Final Notice of Violation shall be filed at the same time the request is filed.

(b) *Contents of the answer.* The answer shall clearly and directly admit, deny or explain each of the factual allegations contained in the Final Notice of Violation with regard to which respondent has any knowledge, information or belief. Where respondent has no knowledge, information or belief of a particular factual allegation and so states, the allegation is deemed denied. The answer shall also state the circumstance or argument that is alleged to constitute the grounds of defense and the facts that respondent intends to place at issue.

(c) *Failure to admit, deny, or explain.* Failure of respondent to admit, deny, or explain any material factual allegation contained in the Final Notice of Violation constitutes an admission of the allegation.

(d) *Amendment of the answer.* The respondent may amend the answer to the Final Notice of Violation upon motion granted by the Presiding Officer.

§ 820.28 Prehearing actions.

(a) *General.* The Presiding Officer shall establish a schedule for the adjudication and take such other actions as he determines appropriate to conduct the adjudication in a fair and expeditious manner.

(b) *Prehearing conference.* The Presiding Officer, at any time before a hearing begins, may direct the parties and their counsel, or other representatives, to appear at a conference before him to consider, as appropriate:

- (1) The settlement of the case;
- (2) The simplification of issues and stipulation of facts not in dispute;
- (3) The necessity or desirability of amendments to pleadings;
- (4) The exchange of exhibits;
- (5) The limitation of the number of expert or other witnesses;
- (6) Setting a time and place for the hearing; and
- (7) Any other matters that may expedite the disposition of the proceeding.

(c) *Exchange of witness lists and documents.* Unless otherwise ordered by the Presiding Officer, at least five (5) days before any prehearing conference, each party shall make available to all other parties, as appropriate, the names of the expert and other witnesses it intends to call, together with a brief narrative summary of their expected testimony, and copies of all documents and exhibits that each party intends to introduce into evidence. Documents and exhibits shall be marked for identification as ordered by the Presiding Officer. Documents that have not been exchanged and witnesses whose names have not been exchanged shall not be introduced into evidence or allowed to testify without permission of the Presiding Officer. The Presiding Officer shall allow the parties reasonable opportunity to review new evidence.
