§ 263.103

eligible under this subpart as defined in § 263.103, may receive an award for fees and expenses incurred in the proceeding unless the position of the Board during the proceeding was substantially justified or special circumstances make an award unjust. The position of the Board includes, in addition to the position taken by the Board in the adversary proceeding, the action or failure to act by the Board upon which the adversary proceeding was based. An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceedings.

§ 263.102 Prevailing party.

Only an eligible applicant that prevailed on the merits of an adversary proceeding may qualify for an award under this subpart.

§ 263.103 Eligibility of applicants.

(a) *General rule.* To be eligible for an award under this subpart, an applicant must have been named as a party to the adjudicatory proceeding and show that it meets all other conditions of eligibility set forth in paragraphs (b) and (c) of this section.

(b) *Types of eligible applicant.* An applicant is eligible for an award only if it meets at least one of the following descriptions:

(1) An individual with a net worth of not more than \$2 million at the time the adversary adjudication was initiated;

(2) Any sole owner of an unincorporated business, or any partnership, corporation, associations, unit of local government or organization, the net worth of which did not exceed \$7,000,000 and which did not have more than 500 employees at the time the adversary adjudication was initiated;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees at the time the adversary proceeding was initiated; or

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees at the time the adversary proceeding was initiated.

(c) *Factors to be considered.* In determining the eligibility of an applicant:

(1) An applicant who owns an unincorporated business shall be considered as an *individual* rather than a *sole owner of an unincorporated business* if the issues on which he or she prevailed are related to personal interests rather than to business interests.

(2) An applicant's net worth includes the value of any assets disposed of for the purpose of meeting an eligibility standard and excludes the value of any obligations incurred for this purpose. Transfers of assets or obligations incurred for less than reasonably equivalent value will be presumed to have been made for this purpose.

(3) The net worth of a financial institution shall be established by the net worth information reported in conformity with applicable instructions and guidelines on the financial institution's financial report to its supervisory agency for the last reporting date before the initiation of the adversary proceeding. A bank holding company's net worth will be considered on a consolidated basis even if the bank holding company is not required to file its regulatory reports to the Board on a consolidated basis.

(4) The employees of an applicant include all those persons who were regularly providing services for remuneration for the applicant, under its direction and control, on the date the adversary proceeding was initiated. Part-time employees are counted on a proportional basis.

(5) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. As used in this subpart, *affiliates* are: Individuals, corporations, and entities that directly or indirectly or acting through one or more entities control at least 25% of the voting shares of the applicant, and corporations and entities of which the applicant directly or indirectly owns or controls at least 25% of the voting shares. The Board may determine, in light of the actual relationship among the affiliated entities, that aggregation with regard to one or more of the applicant's affiliates would be unjust and contrary to the purposes of this subpart and decline to aggregate the net

worth and employees of such affiliate; alternatively, the Board may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

§ 263.104 Application for awards.

(a) *Time to file.* An application and any other pleading or document related to the application may be filed with the Board whenever the applicant has prevailed in the proceeding within 30 days after service of the final order of the Board disposing of the proceeding.

(b) *Contents.* An application for an award of fees and expenses under this subpart shall contain:

(1) The name of the applicant and an identification of the proceeding;

(2) A showing that the applicant has prevailed, and an identification of the way in which the applicant believes that the position of the Board in the proceeding was not substantially justified;

(3) If the applicant is not an individual, a statement of the number of its employees on the date the proceeding was initiated;

(4) A description of any affiliated individuals or entities, as defined in § 263.103(c)(5), or a statement that none exist;

(5) A declaration that the applicant, together with any affiliates, had a net worth not more than the maximum set forth in § 263.103(b) as of the date the proceeding was initiated, supported by a net worth statement conforming to the requirements of § 263.105;

(6) A statement of the amount of fees and expenses for which an award is sought conforming to § 263.107; and

(7) Any other matters that the applicant wishes the Board to consider in determining whether and in what amount an award should be made.

(c) *Verification.* The application shall be signed by the applicant or an authorized officer of or attorney for the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application and supporting documents is true and correct.

12 CFR Ch. II (1–1–05 Edition)

(d) *Service.* The application and related documents shall be served on all parties to the adversary proceeding in accordance with § 263.11, except that statements of net worth shall be served only on counsel for the Board.

(e) *Presiding officer.* Upon receipt of an application, the Board shall, if feasible, refer the matter to the administrative law judge who heard the underlying adversary proceeding.

§ 263.105 Statement of net worth.

(a) *General rule.* A statement of net worth shall be filed with the application for an award of fees. The statement shall reflect the net worth of the applicant and all affiliates of the applicant, as specified in § 263.103(c)(5). In all cases, the administrative law judge or the Board may call for additional information needed to establish the applicant's net worth as of the initiation of the proceeding.

(b) *Contents.* (1) Except as otherwise provided herein, the statement of net worth may be in any form convenient to the applicant which fully discloses all the assets and liabilities of the applicant and all the assets and liabilities of its affiliates, as of the time of the initiation of the adversary adjudication. Unaudited financial statements are acceptable for individual applicants as long as the statement provides a reliable basis for evaluation, unless the administrative law judge or the Board otherwise requires. Financial statements or reports filed with or reported to a Federal or State agency, prepared before the initiation of the adversary proceeding for other purposes, and accurate as of a date not more than three months prior to the initiation of the proceeding, shall be acceptable in establishing net worth as of the time of the initiation of the proceeding, unless the administrative law judge or the Board otherwise requires.

(2) In the case of applicants or affiliates that are not banks, net worth shall be considered for the purposes of this subpart to be the excess of total assets over total liabilities, as of the date the underlying proceeding was initiated, except as adjusted under § 263.103(c)(5). The net worth of a bank holding company shall be considered on
