

§ 951.7

12 CFR Ch. IX (1–1–05 Edition)

of this section, provided it is different from the criterion or criteria adopted by the Bank under paragraph (b)(4)(iv)(F) of this section.

(H) *AHP subsidy per unit.* The extent to which a project proposes to use the least amount of AHP subsidy per AHP-targeted unit. In the case of an application for a project financed by a subsidized advance, the total amount of AHP subsidy used by the project shall be estimated based on the Bank's cost of funds as of the date on which all applications are due for the funding period in which the application is submitted. For purposes of this scoring criterion, applications for owner-occupied projects and rental projects may be scored separately.

(I) *Community stability.* The promotion of community stability, such as by rehabilitating vacant or abandoned properties, being an integral part of a neighborhood stabilization plan approved by a unit of state or local government, and not displacing low- or moderate-income households, or if such displacement will occur, assuring that such households will be assisted to minimize the impact of such displacement.

(5) *Approval of applications—(i) Approval by Bank's board.* The board of directors of each Bank shall approve applications in descending order starting with the highest scoring application until the total funding amount for the particular funding period, except for any amount insufficient to fund the next highest scoring application, has been allocated. The board of directors also shall approve at least the next four highest scoring applications as alternates and, within one year of approval, may fund such alternates if any previously committed AHP subsidies become available.

(ii) *No delegation.* A Bank's board of directors shall not delegate to Bank officers or other Bank employees the re-

sponsibility to approve or disapprove AHP applications.

§ 951.7 Modifications of applications prior to or after project completion.

(a) *Modification procedure.* If, prior to or after final disbursement of funds to a project from all funding sources, there is or will be a change in the project that would change the score that the project application received in the funding period in which it was originally scored and approved, had the changed facts been operative at that time, a Bank, in its discretion, may approve in writing a modification to the terms of the approved application, provided that:

(1) The project, incorporating any such changes, would meet the eligibility requirements of § 951.5(b);

(2) The application, as reflective of such changes, continues to score high enough to have been approved in the funding period in which it was originally scored and approved by the Bank; and

(3) There is good cause for the modification.

(b) *Modifications involving a subsidy increase.* Modifications involving an increase in AHP subsidy shall be approved or disapproved by a Bank's board of directors. The authority to approve or disapprove such requests shall not be delegated to Bank officers or other Bank employees.
