

Small Business Administration

§ 125.25

(1) \$5,000,000 for a requirement within the NAICS codes for manufacturing, or

(2) \$3,000,000 for a requirement within all other NAICS codes;

(c) A SDVO SBC is a responsible contractor able to perform the contract; and

(d) Contract award can be made at a fair and reasonable price.

§ 125.21 Are there SDVO contracting opportunities at or below the simplified acquisition threshold?

Yes, if the requirement is at or below the simplified acquisition threshold, the contracting officer may set-aside the requirement for consideration among SDVO SBCs using simplified acquisition procedures or may award a sole source contract to an SDVO SBC.

§ 125.22 May SBA appeal a contracting officer's decision not to reserve a procurement for award as an SDVO contract?

The Administrator may appeal a contracting officer's decision not to make a particular requirement available for award as an SDVO sole source or a SDVO set-aside contract at or above the simplified acquisition threshold.

§ 125.23 What is the process for such an appeal?

(a) *Notice of appeal.* When the contracting officer rejects a recommendation by SBA's Procurement Center Representative to make a requirement available for award as an SDVO contract, he or she must notify the Procurement Center Representative as soon as practicable. If the Administrator intends to appeal the decision, SBA must notify the contracting officer no later than five business days after receiving notice of the contracting officer's decision.

(b) *Suspension of action.* Upon receipt of notice of SBA's intent to appeal, the contracting officer must suspend further action regarding the procurement until the Secretary of the department or head of the agency issues a written decision on the appeal, unless the Secretary of the department or head of the agency makes a written determination that urgent and compelling circumstances which significantly affect the interests of the United States compel award of the contract.

(c) *Deadline for appeal.* Within 15 business days of SBA's notification to the CO, SBA must file its formal appeal with the Secretary of the department or head of the agency, or the appeal will be deemed withdrawn.

(d) *Decision.* The Secretary of the department or head of the agency must specify in writing the reasons for a denial of an appeal brought under this section.

Subpart D—Protests Concerning SDVO SBCs

SOURCE: 69 FR 25269, May 5, 2004, unless otherwise noted.

§ 125.24 Who may protest the status of an SDVO SBC?

(a) *For Sole Source Procurements.* SBA or the contracting officer may protest the proposed awardee's service-disabled veteran status.

(b) *For Competitive Set-Asides.* Any interested party may protest the apparent successful offeror's SDVO SBC status.

§ 125.25 How does one file a service disabled veteran-owned status protest?

(a) *General.* The protest procedures described in this part are separate from those governing size protests and appeals. All protests relating to whether an eligible SDVO SBC is a "small" business for purposes of any Federal program are subject to part 121 of this chapter and must be filed in accordance with that part. If a protester protests both the size of the SDVO SBC and whether the concern meets the SDVO SBC requirements set forth in §125.15, SBA will process each protest concurrently, under the procedures set forth in part 121 of this chapter and this part. SBA does not review issues concerning the administration of an SDVO contract.

(b) *Format.* Protests must be in writing and must specify all the grounds upon which the protest is based. A protest merely asserting that the protested concern is not an eligible SDVO SBC, without setting forth specific facts or allegations is insufficient.

(c) *Filing.* An interested party, other than the contracting officer or SBA,
