

## § 134.215

(b) *Requests.* A request for the issuance of a subpoena must be written, served upon all parties, and filed. The request must clearly identify the witness and any documents to be subpoenaed, and must set forth the relevance of the testimony or documents sought.

(c) *Service.* A subpoena may only be served by personal delivery. The individual making service shall prepare an affidavit stating the date, time, and place of the service. The party which obtained the subpoena must serve upon all other parties, and file with OHA, a copy of the subpoena and affidavit of service within 2 days after service is made.

(d) *Motion to quash.* A motion to limit or quash a subpoena must be filed and served within 10 days after service of the subpoena, or by the return date of the subpoena, whichever date comes first. Any response to the motion must be filed and served within 10 days after service of the motion, unless a shorter time is specified by the Judge. No oral argument will be heard on the motion unless the Judge directs otherwise.

## § 134.215 Interlocutory appeals.

(a) *General.* A motion for leave to take an interlocutory appeal from a Judge's ruling will not be entertained in those proceedings in which OHA issues final decisions. In all other cases, an interlocutory appeal will be permitted only if, upon motion by a party, or upon the Judge's own initiative, the Judge certifies that his or her ruling raises a question which is immediately appealable. Interlocutory appeals will be decided by the AA/OHA or a designee.

(b) *Motion for certification.* A party must file and serve a motion for certification no later than 20 days after issuance of the ruling to which the motion applies. A denial of the motion does not preclude objections to the ruling in any subsequent request for review of an initial decision.

(c) *Basis for certification.* The Judge will certify a ruling for interlocutory appeal only if he or she determines that:

## 13 CFR Ch. I (1-1-05 Edition)

(1) The ruling involves an important question of law or policy about which there is substantial ground for a difference of opinion; and

(2) An interlocutory appeal will materially expedite resolution of the case, or denial of an interlocutory appeal would cause undue hardship to a party.

(d) *Stay of proceedings.* A stay while an interlocutory appeal is pending will be at the discretion of the Judge.

[61 FR 2683, Jan. 29, 1996, as amended at 67 FR 47249, July 18, 2002]

## § 134.216 Alternative dispute resolution procedures.

At any time during the pendency of a case, the parties may submit a joint motion requesting that the Judge permit the use of alternative dispute resolution procedures to assist in resolving the matter. If the motion is granted, the Judge will also stay the proceedings before OHA, in whole or in part, as he or she deems appropriate, pending the outcome of the alternative dispute resolution procedures.

## § 134.217 Settlement.

At any time during the pendency of a case, the parties may submit a joint motion to dismiss the appeal if they have settled the case, and may file with such motion a copy of the settlement agreement. If the Judge has express authority, under statute, SBA regulation or SBA standard operating procedures, to review the contents of a settlement agreement for legality, the Judge may order the parties to file a copy of the settlement agreement. Otherwise, upon the filing of a joint motion to dismiss, the Judge will issue an order dismissing the case. Settlement negotiations, and rejected settlement agreements, are not admissible into evidence.
