

error, all or any part of those deductions were not made, the makeup employee contributions will not be subject to lost earnings even if the participant makes up the employee contributions pursuant to part 1605 of this chapter. However, where the participant makes up the employee contributions pursuant to part 1605 of this chapter, the agency matching contributions associated with the makeup employee contributions (which must be made in accordance with part 1605 of this chapter) will be subject to lost earnings. With respect to such makeup agency matching contributions the procedures described in paragraphs (a)(1) through (a)(4) of this section will apply.

§ 1606.6 Agency delay in paying employee.

Where, as the result of an employing agency error, a participant does not timely receive all or any part of the basic pay to which he or she is entitled, and as a result of that delay in receiving pay all or any part of the Employee Contributions, Agency Automatic (1%) Contributions, or Agency Matching Contributions are not submitted when they would have been had the employing agency error not occurred, all such belated Employee Contributions, Agency Automatic (1%) Contributions, and Agency Matching Contributions shall be subject to lost earnings. The procedures described in paragraphs (a)(1) through (a)(4) of § 1606.5 shall apply to all such belated contributions.

Subpart C—Lost Earnings Not Attributable to Delayed or Erroneous Contributions

§ 1606.10 Miscellaneous lost earnings.

Where lost earnings result from employing agency errors not specifically covered by this subpart or subpart B, the employing agency must consult with the Board or TSP Recordkeeper to determine the manner in which the employing agency shall submit lost earnings records or other data necessary to facilitate the payment of lost earnings.

Subpart D—Lost Earnings Records

§ 1606.11 Agency submission of lost earnings records.

(a) All lost earnings records required to be submitted pursuant to this part must be submitted to the TSP Recordkeeper in the manner and format prescribed in instructions provided to employing agencies by the Board or TSP recordkeeper.

(b) Where this part requires submission of lost earnings records, the employing agency must submit a separate lost earnings record for each pay period affected by the error. A lost earnings record may include all three sources of contributions, or it may include loan allotments, but may not include both loan allotments and contributions.

(c) Where this part requires the employing agency to indicate on a lost earnings record the investment fund to which a contribution would have been deposited had an employing agency error not occurred, that determination must be made solely on the basis of a properly completed allocation election that was accepted by the employing agency before the date the contribution should have been made, and that was still in effect as of that date. Where no such allocation election was in effect as of the date the contribution would have been made had the error not occurred, the lost earnings record submitted by the employing agency must indicate that the contributions should have been made to the G Fund.

(d) With respect to employing agency errors that cause money not to be invested in the Thrift Savings Fund, lost earnings records may not be submitted until the money to which the lost earnings relate has been invested in the Thrift Savings Fund. Where the employing agency error involved delayed TSP contributions, no lost earnings will be payable unless the associated payment records are submitted in accordance with the provisions of 5 CFR part 1605. Lost earnings records and the delayed payment records to which they relate should be submitted simultaneously.

(e) Where an employing agency erroneously submits a lost earnings record that is processed by the TSP recordkeeper, the employing agency must

§ 1606.12

consult with the Board or TSP record keeper to determine the method to be used in removing the erroneous lost earnings.

(f) Lost earnings records that contain contributions for which lost earnings must be determined at the G Fund rate of return pursuant to §§ 1605.22(a)(4) or 1605.41(a)(3) of this chapter must be accompanied by the special Journal Voucher, Form TSP-2-EG.

[56 FR 606, Jan. 7, 1991, as amended at 66 FR 44284, Aug. 22, 2001]

§ 1606.12 Agency responsibility.

(a) The employing agency whose error caused the delayed or erroneous investment of money in the Thrift Savings Fund shall, in a manner consistent with paragraph (b) of this section, be ultimately responsible for payment of any lost earnings resulting from that error.

(b) The employing agency that submitted payment records or loan allotments that are subject to lost earnings shall be responsible for submitting lost earnings records relating to those submissions, and any lost earnings calculated shall be charged to that employing agency. Where another employing agency committed the error that caused the delayed or erroneous submission by the first employing agency, the employing agency that was charged for the lost earnings may seek reimbursement from the other employing agency.

Subpart E—Processing Lost Earnings Records

§ 1606.13 Calculation and crediting of lost earnings.

(a) Lost earnings records submitted pursuant to this part will be processed daily by the TSP record keeper.

(b) In calculating lost earnings attributable to a lost earnings record, earnings and losses for different sources of contributions or investment funds within a source will not be offset against each other.

(c) Notwithstanding any other provision of this part, where the net lost earnings computed in accordance with this part on any lost earnings record are less than zero within a source of

5 CFR Ch. VI (1–1–05 Edition)

contributions, the employing agency will not be credited with respect to that source of contributions. The amount of the negative lost earnings will be removed from the participant's account and applied against TSP administrative expenses.
