Subpart E [Reserved]

Subpart F—Standards for a Merit System of Personnel Administration

AUTHORITY: 42 U.S.C. 4728, 4763; E.O. 11589, 3 CFR part 557 (1971–1975 Compilation).

SOURCE: 48 FR 9210, Mar. 4, 1983, unless otherwise noted.

§ 900.601 Purpose.

(a) The purpose of these regulations is to implement provisions of title II of the Intergovernmental Personnel Act of 1970, as amended, relating to Federally required merit personnel systems in State and local agencies, in a manner that recognizes fully the rights, powers, and responsibilities of State and local governments and encourages innovation and allows for diversity among State and local governments in the design, execution, and management of their systems of personnel administration, as provided by that Act.

(b) Certain Federal grant programs require, as a condition of eligibility, that State and local agencies that receive grants establish merit personnel systems for their personnel engaged in administration of the grant-aided program. These merit personnel systems are in some cases required by specific Federal grant statutes and in other cases are required by regulations of the Federal grantor agencies. Title II of the Act gives the U.S. Office of Personnel Management authority to prescribe standards for these Federally required merit personnel systems.

§ 900.602 Applicability.

(a) Sections 900.603–604 apply to those State and local governments that are required to operate merit personnel systems as a condition of eligibility for Federal assistance or participation in an intergovernmental program. Merit personnel systems are required for State and local personnel engaged in the administration of assistance and other intergovernmental programs, irrespective of the source of funds for their salaries, where Federal laws or regulations require the establishment and maintenance of such systems. A reasonable number of positions, however, may be exempted from merit personnel system coverage.

(b) Section 900.605 applies to Federal agencies that operate Federal assistance or intergovernmental programs.
